Computer-Based Learning (CBL) [NetLearning](#)
Required Training

College of Medicine (COM) and Office of Health Sciences (OHS) research volunteers are required to complete specific training and assessments prior to engaging in research to comply with local, state and federal regulations and institutional and accreditation agency standards. The purpose of this document is to provide an outline of the training and assessment requirements that must be completed **PRIOR** to beginning research volunteer experience.

If you will not be receiving IT access through CCC-HR you can obtain access to the Computer-Based Learning (CBL) system contact [Carole Mench](#). You must provide the following information: volunteer's full name, ID badge number, Social Security Number, department cost center number.

Please note **all research volunteers** are required to complete the following annual NetLearning CBLs: *Login using MedCenter username ID. Your password will be the first four letters of your last name and last two digits of your social security number.* **https://mylearning.osumc.edu/mynetlearning/ login.aspx?id=309** (Some trainings may not show up under *myCourse/Classes* so you will need to search and enroll in the CBL)
