**Discussion of  
“The Emergence of Science and Technology Studies”**

**Monday September 9  
12:30-2pm  
156 University Hall**

We will be starting our 2019-2020 workshop meetings with a discussion of Sheila Jasanoff's "A Field of Its Own: The Emergence of Science and Technology Studies" (in R. Frodeman (ed.), *Oxford Handbook of Interdisciplinarity*, 2017). Please contact the organizer for a PDF of the essay to be discussed, or with any other questions.

*Organizer:* Chris Pincock (Philosophy, [pincock.1@osu.edu](mailto:pincock.1@osu.edu))
