January 1st 1913

Dear Son

Your welcome letter has been received an I was very glad to hear from you and to know you are still in good health this leaves us in fairly good health. Pap is Rheumatic as usual. I hope you had a merry Christmas and a happy New Year. Dollie is here now She came home to spend the holidays You will find inclosed \$2.00) two dollars an if you need anymore let me know. Laura and family Spent the holidays with us. They are well and sends love to you we had turkey for Christmas and wished you was here to help us enjoy it. We butchered two more hogs Christmas Eve. I will try and send you a box soon. I am very glad to lern that you are really learning a proffesion. John White of Santoy received a severe rap on the head an Irishman over there hit him with a poker he is over here now staying at Bob Ginn's. Dollie can play the Piano pretty good. Dr. Johnson and wife are reconciled and are now living together once more I would like to have you here to play on the piano. I received a long letter from Mrs Crawford and a card from Mrs. Anna Clements who is now Mrs Anna Fisher. We are having nice weather here only there is a plenty of mud

Well Son I will cloase and ask you write soon to your
Devoted Mother
Christianna Tyree.
