

OHIO STATE UNIVERSITY EXTENSION

The following cost structure was created by Andy Londo and approved by Dean McPheron and applies to all county and state faculty and staff as follows:

1. For the first presentation in a given day, the cost is \$400 plus expenses. Any subsequent presentations on that same day add an additional \$200 per presentation. Expenses includes, but are not limited to, mileage, parking, per diem, etc..
2. This fee structure starts over every day.
3. All fees paid to the speaker are to be placed into an OSU operating account for the presenter (an account used to cover travel, professional memberships and meetings, equipment, etc.).

Remember, ***this cost structure was developed for non-partnering organizations only.*** We do not intend this to be used with any organization we regularly work with.

If you have any questions, please don't hesitate to contact me at any time.
