** State Fair results published on the Ohio State Fair website did not list first names for Dairy exhibitors. There were multiple exhibitors with the same last name, we are still working to confirm first names for these particular placings.

All results have been compiled from ohiostatefair.com

Rabbit results were not listed by county at the time of publication - we have contacted the State Fair to ask for a county listing of Rabbit Results. We will update this report if / when we are able to obtain a listing of Wayne County youth that placed in the Jr. Rabbit show.
