

February 11, 2015

Dear Wayne County 4-H Organizational Advisor,

We are excited to announce that there will be a **Wayne County 4-H Project Fair and Open House March 21st from 9:00am to noon at the OARDC Fisher Auditorium** (in the area where the skill-a-thon takes place)!!! This project fair will be a time where current, new and potential 4-Hers can come and gather information about a particular project(s) of interest, to meet and talk to Wayne County 4-H members and advisors about projects and to gather information about all the clubs in Wayne County.

We would like to have each club fill out the attached survey about the information you want to include regarding your club at this project fair. Potential members will have an opportunity to explore the 4-H groups in their area of the county to determine which group they'd like to join. Please fill this form out as detailed as you'd like and **return to the OSU Extension Office by March 4, 2015** OR you can email it to marie.marty@yahoo.com.

We would also like to invite you and others from your club to attend the Project Fair as a representative of your 4-H club so you can talk to these potential members about your group. We will offer each club a table where they can display information about their club and include as much as they'd like (pictures, activities, community service projects, etc). If you are interested in setting up a table at this event, please contact Marie Marty using the contact information below.

We will be promoting the Project Fair through the 4-H Awareness Teams this spring, as well as through The LINK and other avenues. If you have any questions, please contact Doug Foxx or Marie Marty.

We hope you will join us for this event to promote Wayne County 4-H! Thank you for your time!

Sincerely,

Marie Marty
Country Acres 4-H Club
