

Postdoctoral Scholars Orientation: The Essentials

All recently hired postdoctoral scholars are invited to this special orientation program. Learn about vital resources, meet your peers, and get introduced to the most important things you'll need to know as you pursue your postdoctoral training.

**Smith Seminar Room,
Physics Research Building
Wednesday, October 14, 2015
10 am - 12 pm**

Hear about:

- Career development
- The Postdoc Association
- University benefits
- Working with PIs
- Living and working in Columbus
- The research enterprise
- Funding & international opportunities
- Making the most of your postdoc experience

Refreshments will be served

Please RSVP by Monday, October 12

via email OR-events@osu.edu or at
