

invite you to attend the Workshop

# USE OF BIOPESTICIDES, BIOSTIMULANTS AND BENEFICIAL INSECTS IN ORNAMENTAL AND VEGETABLE PRODUCTION IN CONTROLLED ENVIRONMENTS

January 13-15<sup>th</sup> 2016

Nationwide & Ohio Farm Bureau 4-H Center  
Columbus, OH

*The rapid growth of the bioproducts market is outpacing the dissemination of knowledge on how to integrate these different products into a sustainable and profitable greenhouse production system. A coordinated effort is needed to address the research and educational needs of the greenhouse industry relative to bioproducts.*

*This workshop will bring together industry and academic leaders to present research and develop a strategic vision for bioproduct use in the greenhouse industry.*

*Participants will identify perceived obstacles to the adoption of bioproducts by the greenhouse industry and work to resolve these problems with targeted research projects and educational programs.*

## January 13<sup>th</sup>, 2016

*Research presentations and stakeholders panel discussion*  
**FREE FOR THE FIRST 75 REGISTRANTS**

- Update on current use of biopesticides, biostimulants, and beneficial insects
- Application technologies
- Economic analysis - cost/benefits, consumer preferences
- Stakeholders panel discussion - greatest benefits and barriers to the use of bioproducts in commercial greenhouses

## January 14-15<sup>th</sup>, 2016

*Grant development activities*

- Working groups with breakout sessions
- SCRI proposal plan

*Industry, academic, and greenhouse collaborators who have confirmed their attendance:*

**DRAMM Corporation, AmericanHort, Biobest, BioWorks, Chase Agricultural Consulting, University of California Cooperative Extension, OSU Extension, C. Wayne Ellett Plant & Pest Diagnostic Clinic, IR-4 Ornamental Horticulture, USDA-ARS, The Center for Applied Horticulture Research (CA), Altman Plants (CA), C. Rakers & Sons (MI), Metrolina Greenhouses (NC), Green Circle Growers (OH)**

For general workshop information contact Eileen Ramsay ([ramsay.18@osu.edu](mailto:ramsay.18@osu.edu))

Indicate interest in the SCRI grant development (Jan 14-15) on registration form or contact Michelle Jones ([jones.1968@osu.edu](mailto:jones.1968@osu.edu))
