

December 6, 2017

We wrapped up the semester with our final NGSO meeting last night. We have now completed our first full year as an organization operating with a checking account. Happy birthday to the NGSO!

Liz is working on creating an Excel sheet with the inflow and outflow of expenses to keep everyone informed on the money we earned and the money we are spending. The organization also gets \$200 of operating funds from OSU, which can be used for recruitment materials or logo branding. Rim graciously offered to take on getting an NGSO tablecloth or other materials that we could use at future events. Also, the money can be used for team building activities. There are a wide variety of activities and times available that would make it enjoyable for everyone.

Fundraising- The t-shirts are in! Email Liz if you ordered a shirt, and she will arrange how you can pick it up. For anyone who did not order a shirt, no worries! There are plenty of extras in all sizes. You can purchase one through the order form on the NGSO website.

Social- A final reminder that the winter formal is TOMORROW! Kathryn and the social committee planned an exciting evening for everyone, and we are looking forward to seeing you there. Any song requests can be emailed to Kathryn.

There may be changes to the recruitment schedule, so please check your email for updates.

Thanks to everyone for all their hard work! I will inform everyone when the next NGSO meeting is next semester.

Happy holidays!
