

Meeting minutes for February 23rd, 2022

Updates from the General Assembly

Cereballum is ON! Cereballum is an annual dance hosted by NGSO. This year the dance will be hosted at **Barley Brewing Company** on **March 25th**. Tickets will be **sold at \$10** for all participants. Ticket Sales will **remain live until March 19th**. If you are interested in purchasing a ticket, please venmo @NGSO2017. Partners are welcome but they will also be charged \$10 for entry. **There will be no ticket sales on the day of the event!**

Updates from the Executive Board

Web Development: T-Shirt voting link is live! Please take a moment to vote on your favorite design by clicking the link below. All voting ends on March 16th!

Updates from the Committee Chairs

NewN:

Call for Elections for new positions! Call for nominations at the next meeting. NewN Nominations apply for everyone and anyone eligible can apply. Please see responsibilities and requirements below!

NewN Chair: • REQUIREMENTS: GPA \geq 3.0.

- Attend and participate in NGSO meetings.
- Facilitate the NewN program.
 - Distribute resources about setting up rotations and having a successful first year to incoming students.
 - Gather information from incoming students about their research and personal interests.
 - Gather information from current students who want to be mentors about their research and personal interests.
 - Match the incoming students to current students.

Professional Development:

Stay tuned for two incoming workshops. Both workshops will be geared toward providing information on alternative science careers. The first will be set up with a policy advisor from the Society for Neuroscience who will speak on behalf of advocacy and science policy. The second Workshop will be given by an OSU alumni discussing her job in medical communications. We will distribute dates for the events as soon as we confirm them!

Diversity & Inclusion/NEURO Events:

On March 1,3, and 28

We will be working with an OSU organization College for Mentor Kids to cohost their afterschool program. We will host four nights so that we can reach as many students and schools as possible.

On March 18

We will be hosting a library event at Northside Library.

Please fill out the attached sign-up sheet if you are interested in volunteering. Once volunteers are confirmed we will schedule a meeting to discuss and practice each demonstration in detail.

Anyone can sign up at anytime and it would be extremely helpful for people to attend at least one event time!
