Directions: To the best of your ability, become an expert on the country you have been assigned. Use the following links to get started on the task of why they got involved and how they were impacted by their involvement. Use the questions on the graphic organizer to help you make notations on all your research.

These links are just a place to start and you are welcome to go beyond. If you are in doubt of a new source’s credibility or validity feel free to ask a teammate or the teacher to help troubleshoot. Do not just assume every source is a valid source.
