- Grant Writing

Research Compliance
Administrative Approvals

- Financial Conflict of Interest (COI)

- Responsible Conduct of Research training

- ePA-005 approvals

Federal Capacity Funds
USDA-NIFA

FAES Funding – FY16

- Base Funds ($112M)
  - $30.3M General Funds
  - $36.8M OARDC State Line Item
  - $23.8M Extension State Line Item
  - $7.95M OARDC Federal Capacity
  - $13.45M Extension Federal Capacity
- Other Sources ($122M)
  - Includes Grants, Earnings, Gifts, Endowments etc.

Federal (USDA) Capacity Grants

- Research ($7.95M)
  - $6.0M Hatch
  - $1.4M Hatch Multistate
  - $0.5M McIntire-Stennis
  - $0.05M Animal Health
- Extension ($13.45M)
  - $11.20M Smith Lever
  - $2.20M EFNEP
  - $0.05M RREA

How are Capacity Funds Used?

- Research Capacity Funds
  - 100% allocated to Faculty Salary and Benefits

- Extension Capacity Funds
  - Smith Lever 100% allocated to salary and benfits for both Faculty and Staff across the Extension Organization

OARDC Requirements

- If you have an OARDC (Research) appointment you must either have your own capacity project or be a CO-PI on another's project – 1 year grace period.
  - REEport – USDA Project Administration
    - Project Initiation
    - Progress Reports Annually
    - Project Final Report
  - Other Project Reporting (Finance/Other)
    - Capacity fund financial report
    - Project level financial report
    - Plan of Work

Extension Requirements

- Extension does not currently have project level requirements for Smith Lever

- Requirement to spend 25% of Smith Lever in Integrated Activity and 25% for Multistate activity
  - This is accomplished with a survey that Extension Administrates.

Federal Reporting Page
