# Small Farm Ruminant Production Field Day

Have a small herd of beef cattle, goats, or a flock of sheep? Are you a new or beginning ruminant livestock producer? If yes to either of these questions, this program is for you!

Join OSU Extension educators and state specialists for an all-day workshop covering topics every ruminant livestock producer needs to know from grazing and nutrition, livestock marketing, facilities and housing.

After lunch, those who have an interest in sheep or goats will depart to the Small Ruminant Research Unit located on Fredericksburg Road, while those focused on beef cattle will remain at the ATI Beef Center.

Afternoon training sessions will be species-specific that include hands-on training in animal care and handling, basic animal health, livestock evaluation, and much more.

Cost: \$30 per person lunch Included.
