

Beef Quality Assurance Certification

Licking County Cattlemen's Association (LCCA) Annual Meeting with BQA Certification by OSU Extension

National BQA certification is valid for three years and the program started in 2018 so many are due to recertify now. There is no fee involved and this meeting will qualify as either a new certification or a recertification. This will also fulfill the Quality Assurance requirement for 4-H and FFA at the Hartford Fair for 2023. Membership in the Licking County Cattlemen's Association is not required but is encouraged and is just \$10 per family.

Sunday, February 19, 2023 12:30 p.m. Lunch Provided

Lunch: Provided by the LCCA. Bring the family for lunch, take care of your BQA certifications and learn about what the LCCA has been doing.

Lunch at 12:30
