WOMEN IN AG WEDNESDAY WEBINARS

The 2023 Series will be on the 2ND
WEDNESDAY of each month
10:30 am – 11:30 am
Via Zoom Platform

Join us on May 10, 2023, for the next session.

May represents Mental Health Awareness Month. Join Sarah Noggle, Extension Educator, Paulding County and Bridget Britton, Behavioral Health Field Specialist ANR for this episode.

Being in agriculture has its own set of stressors, but being a woman in agriculture can have its own unique set that is often left unsaid. Join us during Mental Health Awareness Month as we have an open discussion about how we can support each other in agriculture and lift each other up while taking care of our mental health in this field.

Register at this link one time for all the series.
