

Paulding County 4-H College Scholarship
Sponsored by the Paulding County 4-H Advisory
Committee

PURPOSE:

To help young people continue their efforts toward becoming self-directing, productive, contribution members of society. A minimum of one scholarship with a minimum value of \$250 will be awarded.

Guidelines:

1. Applications are due to the Paulding County Extension Office by April 26, 2024. Applications can either be submitted electronically to the Paulding County Extension Office by the close of business on the date due, dropped off during normal business hours, or mailed to the Extension Office.
2. Applicant must be a graduating senior.
3. The funds may be used for tuition, books, or lab fees and will be made payable to the recipient or their school. Receipts are required if funds are made payable to the recipient.
4. Applicant must have been a 4-H member in Paulding County for at least four years (including the present year).

Procedure:

Please submit the following information to the Paulding County Extension Office. All required documents must be received by the close of business on the date due to be considered.

1. Cover letter – please include name, address, phone number and high school attending.
2. Copy of high school transcript and acceptance letter to an accredited college or university.
3. Two letters of personal reference, one from a 4-H advisor and one from another unrelated source.
4. Written essay (typed) that tells about your plans for the future and how 4-H has provided you with the necessary skills for a bright and positive future.
