FAME: Your Career Our Guidance

2023-2024 Faculty Development Programs

To register for FAME programs, use the hyperlink below each session.

If you require an accommodation such as live captioning or interpretation to participate in any of FAME’s events, please contact FAME@osumc.edu. Requests should be made a week ahead of time to allow us to provide seamless access, but the university will make every effort to meet requests made after this date.

Educational Research Spotlight - Dealing with Frustration: Balancing Academic Duties and Publishing Expectations
Date: Wednesday, September 6, 2023, 12 p.m. – 1 p.m.
Location: Online
Theme: Teaching and Learning
Competency: Scholarship & Reputation, Professional Development
Primary Audience: All faculty and staff
CME: This event is certified for 1 AMA PRA Category 1 Credit

Managing teaching and publishing expectations can be tough. How can you leverage your teaching duties and assignments and turn them into publications? What strategies can be implemented to help a busy clinician become a productive scholar? This spotlight session will be a panel of seasoned clinicians who have navigated the challenging task of being an effective teacher and productive scholar. To register for this event, visit: go.osu.edu/ers_9-6-23.

Educational Research Spotlight - Open Workshop: ANOVAs, ANCOVAs, KW, Oh My!
Date: Friday, September 15, 2023, 12 p.m. – 2 p.m.
Location: Online
Theme: Teaching and Learning
Competency: Scholarship & Reputation
Primary Audience: All faculty and staff
CME: This event is certified for 1 AMA PRA Category 1 Credit

This session is a continuation of the two-group comparisons session that was held last year. In research, we often want to compare three or more groups in an intervention. But which test is appropriate? What assumptions must be met for multi-group analyses. This spotlight session will cover which tests are appropriate for the research question being answered and the data collected. To register for this event, visit: go.osu.edu/ers_9-15-23.
**WIMS Town Hall**
Date: Tuesday, September 19, 2023, 4:30 p.m. – 6 p.m.
Location: In Person | 115 BRT
Facilitators: Just Bloom School
Theme: Engagement
Competency: Professional Development, Scholarship & Reputation
Primary Audience: All faculty

Then Women in Medicine and Science (WIMS) group will host their Annual Town Hall located on the 1st Floor of the Biomedical Research Tower. Please join them for this in-person presentation and workshop by the Just Bloom School to learn how to build your professional narrative story, followed by faculty roundtable discussions. Questions can be directed to wims@osumc.edu. All faculty in the College of Medicine are welcome. Registration deadline: September 5. To register for this event, visit: go.osu.edu/wimstownhall9_19_23.

**Building Meaningful Mentoring Relationships**
Date: Thursday, September 28, 2023, 12 p.m. – 1 p.m.
Location: Online
Facilitator: Don Benson, MD, PhD
Theme: Mentoring & Career Advancement
Competency: Professional Development, Relational Skills
Primary Audience: All faculty
CME: This event is certified for 1 AMA PRA Category 1 Credit

This online session will provide fundamentals of initiating a mentoring relationship, determining expectations, and navigating mentoring difficulties. Facilitated by Dr. Don Benson, professor of Internal Medicine and a member of FAME’s Mentorship Committee. To register for this event, visit: go.osu.edu/fame-9-28-23.

Date: Wednesday, October 4, 2023, 12 p.m. – 1 p.m.
Location: Online
Theme: Teaching and Learning
Competency: Scholarship & Reputation
Primary Audience: All faculty
CME: This event is certified for 1 AMA PRA Category 1 Credit

Educational technology is becoming more advanced and prominent across the curriculum. These new tools can be intimidating without necessary training and exposure before implementing them in a class setting. This session will serve as an introduction to tools that are easily accessible by all faculty but may still be considered “cutting-edge” to those who are not the most tech savvy. To register for this event, visit: go.osu.edu/ers_10-4-23.
New Faculty Academy - Fall  
**Date:** Wednesday, October 18, 2023, 12:30 p.m. – 4:30 p.m.  
**Location:** In Person | 170 DHLRI  
**Theme:** Mentoring & Career Advancement  
**Competency:** Professional Development  
**Primary Audience:** All faculty  

You know where to park and where the cafeteria is, now learn what it takes to launch a successful career in academic medicine. Join us in person at the Dorothy M. Davis Heart and Lung Research Institute, you will hear from our leaders and learn about available resources to help you achieve your career goals here at the College of Medicine. Lunch provided. To register for this event, visit: [go.osu.edu/fame-10-18-23](go.osu.edu/fame-10-18-23).

WIMS Fall Speaker  
**Date:** Tuesday, October 24, 2023, 10 a.m. – 11 a.m.  
**Location:** In Person | 115 BRT  
**Facilitator:** Sara Laschever  
**Theme:** Engagement  
**Competency:** Professional Development, Relational Skills  
**Primary Audience:** All faculty  

Join us in person at the Biomedical Research Tower to welcome Sara Laschever. She is co-author, with Linda Babcock, of *Women Don’t Ask*, the groundbreaking study that revealed the forces preventing women from negotiating on their own behalf, and *Ask for It*, a nuts-and-bolts negotiation training primer. Laschever lectures and teaches negotiation workshops for corporate audiences, colleges and universities, hospital systems, law firms, government agencies, and leadership conferences in the U.S. and around the world. A founding faculty member of the Carnegie Mellon Leadership and Negotiation Academy for Women, she also served as a Senior Fellow at the Center for Work-Life Policy and a Research Associate for Project Access, a trailblazing Harvard University study looking at the obstacles blocking women’s progress in the sciences. She provides private coaching services to professionals navigating critical career transitions and facilitates group coaching for those eager to share their own experiences and learn from those of their peers. All faculty in the College of Medicine are welcome to attend this in-person lecture. Registration deadline: October 10. To register for this event, visit: [go.osu.edu/wimsfallspeaker10_24_23](go.osu.edu/wimsfallspeaker10_24_23).

Inclusive Teaching: Craft Your Curricula to Reduce Bias and Increase Accessibility  
**Date:** Friday, October 27, 2023, 11:30 a.m. – 1:30 p.m.  
**Location:** In Person | Atwell Hall, 130 Conference Room  
**Facilitators:** Claire Bollinger, PhD, Lindy Weaver, PhD & Eva George, PhD  
**Theme:** Teaching and Learning  
**Competency:** Professional Development, Scholarship & Reputation  
**Primary Audience:** All faculty  
**CME:** This event is certified for 1 AMA PRA Category 1 Credit  

This two-hour in-person workshop, located in Atwell Hall, will assist you in applying the “Upstate Bias Checklist” within your own teaching and provide steps towards identifying bias that reduces bias and increases accessibility. Collaboration with the Drake Institute for Teaching & Learning allows 2 hours of credit towards the Inclusive Teaching endorsement through the institute. For the first hour of the workshop, we will introduce the Anti-Bias Checklist and its use for curricular review. For the second hour of the workshop, we will gather in small groups to focus on curricular content types (case studies, images, lectures, etc.) to identify best practices and resources to proceed with curricular revision and take a deeper dive into thematic areas for support of inclusive teaching. These will include race, disability, gender, and mental health topics. To register for this event, visit: [go.osu.edu/fame-10-27-23](go.osu.edu/fame-10-27-23)

Register at buckeyelearn.osu.edu
Congrats on Your Promotion! Welcome to Your Enhanced Responsibilities in Mentoring and Beyond
Date: Thursday, November 2, 2023, 12 p.m. – 1 p.m.
Location: Online
Facilitator: David Eckmann, MD
Theme: Mentoring & Career Advancement
Competencies: Professional Development, Scholarship & Reputation, Relational Skills
Primary Audience: Associate Professors
CME: This event is certified for 1 AMA PRA Category 1 Credit

Congrats on your promotion! Welcome to your enhanced responsibilities in mentoring and beyond! This session is targeted towards recently promoted associate professors who may now find themselves in a position to be a mentor, sit on a promotion committee, and write external letters of evaluation. Facilitated by Dr. David Eckmann, professor of Anesthesiology and a member of FAME's Mentorship Committee. To register for this event, visit: go.osu.edu/fame-11-2-23.

COM Faculty RAPTIC (Research Accelerator Program to Translate / Innovate / Commercialize) Information Session
Date: Thursday, November 9, 2023, 4 p.m. – 5 p.m.
Location: In Person | 105 BRT
Theme: Mentoring & Career Advancement
Competency: Professional Development, Scholarship & Reputation
Primary Audience: All faculty

The goal of RAPTIC is to recruit faculty researchers from across the basic/translational/clinical research spectrum, at any career rank or academic track in the COM, to take part in a year-long cohort accelerator program. Join us in person at the Biomedical Research Tower to discuss how RAPTIC will build a professional network, provide training and resources, and engage in individualized and longitudinal coaching to ensure participant faculty significantly drive their research project toward measurable endpoints related to Translation, Innovation, and Commercialization by the completion of the program. Come to this information session to learn more about the RAPTIC program. ALL COM Faculty welcome to attend information session & apply. The application window will be open from November 1 – 30. To submit applications and or ask questions, email WIMS wims@osumc.edu.

How to Write an Impactful NIH R01/R21/R03 Grant: A Reviewer’s Perspective
Date: Tuesday, December 12, 2023, 4 p.m. – 5 p.m.
Location: In Person | 234 Meiling Hall
Facilitator: Jill Rafael-Fortney, PhD
Theme: Teaching and Learning
Competency: Professional Development
Primary Audience: Research faculty
CME: This event is certified for 1 AMA PRA Category 1 Credit

Join us in person at Meiling Hall to learn tips on how to write an impactful Specific Aims page, respond to critiques for a resubmission Introduction, and general guidelines about the Research Strategy for NIH R01/R21/R03 grants. Learn how to consider the reviewer’s perspective of how the 5 scored criteria determine the Impact score and how a study section is conducted. Facilitated by Dr. Jill Rafael-Fortney, professor of Physiology and Cell Biology and member of FAME’s Mentorship Committee. To register for this event, visit: go.osu.edu/fame-12-12-23.
Building in Assessment to Your Teaching: Support of Educational Scholarship
Date: Thursday, January 11, 2024, 12 p.m. – 1 p.m.
Location: Online
Facilitator: Jeff Barbee, DMA
Theme: Teaching and Learning
Competency: Scholarship & Reputation
Primary Audience: All faculty
CME: This event is certified for 1 AMA PRA Category 1 Credit

This one-hour workshop will join with the Office of Curriculum and Scholarship to assist faculty with measures of educational assessment that can lead the framework for your educational scholarship project. To register for this event, visit: https://go.osu.edu/fame-1-11-24.

Writing an Impactful Specific AIMS Page
Date: Tuesday, January 23, 2024, 4 p.m.- 5 p.m.
Location: In-Person | Hamilton Hall, 395 IHSC Wing (1645 Neil Ave)
Facilitator: Jill Rafael-Fortney, PhD
Theme: Teaching and Learning
Competency: Professional Development
Primary Audience: Research faculty
CME: This event is certified for 1 AMA PRA Category 1 Credit

Are you struggling to write a clear and concise specific aims page for your research proposal? Join us in person at the Interdisciplinary Health Sciences Center for a workshop where you’ll learn tips and tricks for crafting a compelling aims page that will grab the attention of grant reviewers. Don’t miss out on this opportunity to take your grant writing skills to the next level! Facilitated by Dr. Jill Rafael-Fortney, professor of Physiology and Cell Biology and member of FAME’s Mentorship Committee. To register for this event, visit: go.osu.edu/fame-1-23-24.

Power 30: P&T Resources
Date: Tuesday, January 30, 2024, 4 p.m. – 4:30 p.m.
Location: Online
Theme: Mentoring & Career Advancement
Competency: Professional Development
Primary Audience: All faculty
CME: This event is certified for 1 AMA PRA Category 1 Credit

Join this FAME Power 30 as the College of Medicine’s Faculty Affairs team demonstrates how to leverage invaluable resources like the APT Toolbox, OAA resources, P&T documents, library resources, and much more! To register for this event, visit: go.osu.edu/fame-1-30-24.
**Mentoring Panel Discussion – Tenure Track, Research Faculty, and Clinical Faculty (Scholar Pathway)**

Date: Thursday, February 1, 2024, 12 p.m. – 1 p.m.
Location: In Person | Hamilton Hall, 370 IHSC Wing (1645 Neil Ave)
Facilitators: John Bridges, PhD, Kristy Townsend, PhD, Eswar Shankar, PhD, Jay Fournier, PhD & Magdalena Blaszkiewicz, PhD
Theme: Mentoring & Career Advancement
Competency: Professional Development, Scholarship & Reputation
Primary Audience: All faculty
CME: This event is certified for 1 AMA PRA Category 1 Credit

Join a panel of mentors and mentees at the newly renovated Hamilton Hall, IHSC wing room 370, in a moderated discussion of tips for success, common mistakes, and lessons learned on effective mentorship. To register for this event, visit: go.osu.edu/fame-2-1-24.

**Educational Research Spotlight - Navigating Digital Accessibility**

Date: Wednesday, February 7, 2024, 12 p.m. – 1 p.m.
Location: Online
Theme: Teaching and Learning
Competency: Professional Development
Primary Audience: All faculty and staff
CME: This event is certified for 1 AMA PRA Category 1 Credit

Promoting inclusive environments ensures all learners have an optimal learning experience. To accomplish this, instructors must consider digital accessibility when designing their courses and educational material. However, these practices are still unfamiliar to many faculty members. This session will cover the basic digital accessibility considerations when developing a course or educational materials for students. To register for this event, visit: go.osu.edu/ers_2-7-24.

**Gathering Journal Article Metrics: Citation Counts and Altmetrics**

Date: Friday, February 9, 2024, 12 p.m. – 1 p.m.
Location: Online
Facilitator: Stephanie Schulte, MLIS
Theme: Teaching and Learning
Competency: Scholarship & Reputation, Professional Development
Primary Audience: All faculty
CME: This event is certified for 1 AMA PRA Category 1 Credit

Do you need to gather citation information and other metrics for your publications for promotion or other purposes? This workshop, from the Health Sciences Library, will cover the basics of how citation and altmetric data is created, which databases and tools include them, and how to export that information from the databases for your records. To register for this event, visit: go.osu.edu/fame-2-9-24.
Teaching Excellence Roundtable: Learning from Our Colleagues
Date: Friday, February 16, 2024, 12 p.m. – 1 p.m.
Location: Online
Theme: Teaching and Learning
Competency: Scholarship & Reputation, Professional Development
Primary Audience: All faculty
CME: This event is certified for 1 AMA PRA Category 1 Credit

This one-hour session will highlight innovative teaching in the College of Medicine. Join COM faculty as they share expertise from their own teaching from bedside to laboratory to the classroom. To register for this event, visit: go.osu.edu/fame-2-16-24.

Strategies to Track and Enhance Your Research Impact
Date: Thursday, February 22, 2024, 11 a.m. – 12 p.m.
Location: Online
Facilitator: Sheila Craft-Morgan, JD, MLIS
Theme: Teaching and Learning
Competency: Scholarship & Reputation, Professional Development
Primary Audience: All faculty
CME: This event is certified for 1 AMA PRA Category 1 Credit

Understanding how to track and enhance the impact of your research will help you to tell the story of your scholarly work. Join us as Sheila Craft-Morgan, from The Ohio State University Libraries, will show you how to manage your author identity, ensure that your scholarly work is discoverable, and track your scholarly research metrics. To register for this event, visit: go.osu.edu/fame-2-22-24.

Mentoring Panel Discussion – Clinician Educator and Clinical Excellence
Date: Thursday, February 29, 2024, 12 p.m. – 1 p.m.
Location: In Person | 115 BRT
Facilitators: Nancy Liao, MD, Monica Hoff, MD, Alyssa Cubbison, DO, Mitva Patel, MD & David Kasick, MD
Theme: Mentoring & Career Advancement
Competency: Scholarship & Reputation, Relational Skills, Professional Development
Primary Audience: All faculty
CME: This event is certified for 1 AMA PRA Category 1 Credit

Join us in person, as a panel of mentors and mentees from within the College of Medicine, will discuss their tips for success, share common mistakes, and talk about lessons learned on effective mentorship! To register for this event, visit: go.osu.edu/fame-2-29-24.

New Faculty Academy - Spring
Date: Tuesday, March 5, 2024, 8 a.m. – 12 p.m.
Location: In Person | 170 DHLRI
Theme: Mentoring & Career Advancement
Competency: Professional Development
Primary Audience: All faculty

You know where to park and where the cafeteria is, now learn what it takes to launch a successful career in academic medicine. Join us in person at the Dorothy M. Davis Heart and Lung Research Institute, you will hear from our leaders and learn about available resources to help you achieve your career goals here at the College of Medicine. Breakfast provided. To register for this event, visit: go.osu.edu/fame-3-5-24.
**Faculty Resource Fair**
Date: Tuesday, March 5, 2024, 12 p.m. – 1:30 p.m.
Location: In Person | 115 BRT
Theme: Engagement
Competency: Professional Development
Primary Audience: All faculty

Please join us at the Biomedical Research Tower for this drop-in Faculty Resource Fair. Campus partners, vendors, and interest groups will be present to provide more information on the resources available to all College of Medicine Faculty members. To register for this event, visit: go.osu.edu/fame-3_5_24.

**A Portfolio-Based Scholarship Approach (PBSA) to Promote Faculty Educational Research Productivity and Mentoring Excellence**
Date: Wednesday, March 6, 2024, 12 p.m. – 1 p.m.
Location: Online
Theme: Teaching and Learning
Competency: Relational Skills, Professional Development
Primary Audience: All faculty and staff
CME: This event is certified for 1 AMA PRA Category 1 Credit

In this workshop, you will discover a novel Portfolio-Based Scholarship Approach that aligns to the AAMC’s five educator portfolio activities and framework and then practice applying the PBSA to foster the quantity and quality of your own and your mentees’ education scholarship productivity, leadership, and mentoring skill. To register for this event, visit https://go.osu.edu/ers-3-6-24.

**Educational Research Spotlight - Teaching Across Generations**
Date: Friday, March 29, 2024, 12 p.m. – 1 p.m.
Location: Online
Theme: Teaching and Learning
Competency: Relational Skills, Professional Development
Primary Audience: All faculty and staff
CME: This event is certified for 1 AMA PRA Category 1 Credit

Student demographics are changing. Effective teachers can reach all age demographics. The global pandemic advanced the technical necessities and advancements of our curricula; however, it did not advance the technical capabilities of all students. This session will highlight some of the common challenges instructors face when leading a course with learners that span across multiple generations and technical abilities. To register for this event, visit https://go.osu.edu/ers-3-29-24.

**Educational Research Spotlight - Grant Winning for New Professionals**
Date: Wednesday, April 3, 2024, 12 p.m. – 1 p.m.
Location: Online
Theme: Teaching and Learning
Competency: Scholarship & Reputation, Professional Development
Primary Audience: All faculty
CME: This event is certified for 1 AMA PRA Category 1 Credit

Grant writing can be an overwhelming endeavor. Winning a grant requires knowing where to look for funding opportunities, understanding the grant requirements, and then actually writing the grant. This session will provide attendees with an introduction to approaching grant writing and what it takes to be successful. To register for this event, visit: go.osu.edu/ers_4-3-24.

Register at buckeyelearn.osu.edu
**NIH Data Management and Sharing Policy**

Date: Tuesday, April 9, 2024, 12 p.m. – 1 p.m.
Location: Online
Facilitators: Kelsey Badger, MS & Anna Biszaha, MLIS
Theme: Teaching and Learning
Competency: Scholarship & Reputation
Primary Audience: All faculty
CME: This event is certified for **1 AMA PRA Category 1 Credit**

Join us for an introduction to the NIH Data Management and Sharing (DMS) Policy. This policy applies to all funding applications and requires that applicants include a DMS plan as part of their application materials. Compliance with the submitted and accepted plan will be assessed, and non-compliance can impact future funding. This informational session presented by the Health Science Library will introduce the policy and the tools and resources Ohio State provides to help you. To register for the event, visit: [go.osu.edu/fame-4-9-24](go.osu.edu/fame-4-9-24).

**WOW Your Audience for Your Next Presentation**

Date: Thursday, April 18, 2024, 12 p.m. – 1 p.m.
Location: Online
Facilitator: Sarah Rusnak, MS, RD, LD
Theme: Teaching and Learning
Competency: Scholarship & Reputation, Relational Skills, Professional Development
Primary Audience: All faculty
CME: This event is certified for **1 AMA PRA Category 1 Credit**

Join Sarah Rusnak, from the School of Health and Rehabilitation Sciences and FAME’s Education Technology Consultant, as she shares practical and creative use of Microsoft 365 PowerPoint and other educational technology to create effective presentations. This session will evaluate the efficacy of Microsoft 365 PowerPoint for its use for teaching and professional presentations and demonstrate the use of accessibility tools for a PowerPoint presentation. To register for this event, visit: [go.osu.edu/fame-4-18-24](go.osu.edu/fame-4-18-24).

**Everything P&T Workshop**

Date: Thursday, April 25, 2024, 1:30 p.m. – 4:30 p.m.
Location: **In-Person | 270 Hamilton Hall (classroom wing, entrance on 10th avenue)**
Theme: Mentoring & Career Advancement
Competency: Professional Development
Primary Audience: All faculty
CME: This event is certified for **1 AMA PRA Category 1 Credit**

Join us in person at the Interdisciplinary Health Sciences Center, where we offer an interactive look at the promotion process. Topics will include assessing your readiness for promotion, mentorship, and tips specific to your track, rank, and/or pathway. To register for this event, visit: [go.osu.edu/fame-4-25-24](go.osu.edu/fame-4-25-24).

Register at buckeyelearn.osu.edu
**Empowering Education: Harnessing A.I. for the classroom**  
Date: Thursday, May 9th, 2024, 12:30 – 2:00 PM  
Location: In Person | 380 Hamilton Hall (classroom wing, building entrance on 10th avenue)  
Theme: Teaching & Learning  
Primary Audience: All faculty  
CME: This event is certified for 1 AMA PRA Category 1 Credit

During this hands-on session participants will gain insight into how artificial intelligence can change education in the future. Session facilitators include Sean Hickey, Michael Flierl, and Donal O'Mathuna. This will be a hands-on workshop and attendees are advised to bring their laptops. To register for this event, visit: [https://go.osu.edu/fame-5-9-24](https://go.osu.edu/fame-5-9-24)

**Educational Research Spotlight - Two Group Comparison Refresher**  
Date: Wednesday, June 5, 2024, 12 p.m. – 1 p.m.  
Theme: Teaching and Learning  
Competency: Scholarship & Reputation  
Location: Online  
Primary Audience: All faculty  
CME: This event is certified for 1 AMA PRA Category 1 Credit

Often in research we want to compare the results of two groups, or the difference of pre- and posttest scores of a single group. In these scenarios, it is important to know which two-group test is appropriate. This session will cover common scenarios when the data of two groups or time points have been collected and are ready to be analyzed. To register for this event, visit: [go.osu.edu/ers_6-5-24](go.osu.edu/ers_6-5-24).

**CommUNITYten: Big Ten Academic Alliance for Women in Medicine and Biomedical Science Conference**  
Date: Friday & Saturday, June 7-8, 2024, 4 p.m. – 7 p.m.  
Location: In Person | The Ohio Union  
Theme: Engagement  
Competency: Relational Skills, Scholarship & Reputation  
Primary Audience: All faculty

A coalition of all 18 current and future BigTen Academic Alliance schools will join in person at The Ohio Union. Early registration link coming soon; ticket numbers will be capped per institution, so please register early. Questions can be directed to [wims@osumc.edu](mailto:wims@osumc.edu).
If you require an accommodation such as live captioning or interpretation to participate in any of FAME’s events, please contact FAME@osumc.edu. Requests should be made a week ahead of time in order to allow us to provide seamless access, but the university will make every effort to meet requests made after this date.

Please note, FAME development programs are subject to change (e.g., facilitator, location, date).

**Teaching Resources:**

- **Introduction to Teaching in Medicine and the Health Sciences:** This is a new asynchronous self-directed online experience that will serve as a foundation for teaching in the College of Medicine at The Ohio State University. We recommend this course for all new faculty. It includes interdisciplinary faculty perspectives and an introduction to evidence-based teaching practices for all aspects of clinical teaching and health sciences instruction. Register here: [https://go.osu.edu/introductiontoteaching](https://go.osu.edu/introductiontoteaching)

- **Advancing Your Clinical Teaching:** This brand new online asynchronous course provides a broad and comprehensive view of the educational mission of the College of Medicine, an academic medical center, and its faculty. The course serves as a path to gain expertise in clinical teaching and provides evidence-based educational best practices for all faculty in the College of Medicine. The interdisciplinary approach for each of the 15 different modules facilitates achieving the goal of both team-based practice and education. Register here: [https://go.osu.edu/advancingyourclinicalteaching](https://go.osu.edu/advancingyourclinicalteaching)

- **Curriculum Design:** This 5-month cohort course is designed to develop the teaching and educational leadership skills of faculty in the health sciences. Participants will accrue skills to facilitate the knowledge acquisition of learners; design curricula and educational programs; run courses, clerkships, or other training programs. Participants will identify educational tools to evaluate and assess programs. This year, applications will be available in November 2023 and the course will begin in January 2024.

- **Teaching Endorsements:** Through the Drake Institute for Teaching and Learning, there are opportunities to combine FAME courses with the achievement of several endorsements that can officially recognize your professional development and expertise. Two examples include endorsements for:
  - Inclusive Teaching
  - COM Teaching and Curriculum Design

- **Scarlet Canvas Modules** (formerly FD4Me) Our previous professional development modules have been updated and transitioned to a new platform. All modules are free for all faculty in the College of Medicine.
Leadership Cohort Programs through FAME:

Faculty within the College of Medicine serve as leaders in many different capacities. Whether they maintain a formal leadership role; manage a lab; educate residents, fellows, and students; or participate as an active member of a team, FAME provides support for acquiring critical competencies to excel within these roles. FAME offers a combined approach of one-session programming paired with both the Faculty Leadership Institute (FLI) and the FAME Unites Emerging Leaders (FUEL) cohort programs. These courses aim to improve leadership skills by helping participants to increase self-awareness and emotional intelligence; recognize their strengths, challenges, and values as leaders; develop their ability to initiate and lead change efforts and build high-performing teams; and strengthen their relational skills to generate and effectively communicate mutually beneficial solutions that build consensus and resolve conflict.

The Faculty Leadership Institute is one of the critical components of the College of Medicine’s Center for Faculty Advancement, Mentoring and Engagement (FAME), which provides comprehensive guidance, education, programmatic support, and recognition and reward to all members of the faculty as they pursue diverse domains of career emphasis and excellence. This program equips professionals from the health sciences colleges to lead through evidence-based leadership training.

FUEL marks the second leadership cohort for FAME Open to all faculty members in the College of Medicine who want to enhance their knowledge in leadership and building/developing more effective teams.

Visit our website at (https://medicine.osu.edu/faculty/fame) for the most up-to-date information regarding faculty resources, awards, and upcoming sessions with previous recordings.

ACCREDITATION STATEMENT: The Ohio State University Center for Continuing Medical Education (CCME) is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.
