Graduate Credit Lesson Plan

Asian Country Projects

Target Group: 6th Grade Geography Classes

Objective: Students will research an Asian country and present their findings to the class.

Goals of the Lesson:
1. Students will use a variety of sources to obtain a deeper understanding of the Asian culture.
2. Students will become comfortable with public speaking.
3. Students will use their creativity to make a creative and informative visual aid.

Standards: Social Studies Skills and Methods Benchmark A #1 and Benchmark B #2

Project Summary: Students are to research an Asian country. They will be given an assignment sheet with 20 items which must appear on their visual aid. Each student is required to make a presentation 4-6 minute presentation to the class about the country they have chosen. Presentation should include the following 3 questions.
1. What is a typical day like for a child in the 6th grade in your country?
2. If you could go there what is the first place you would visit and why?
3. What is the most interesting thing about your country?

Project is to be assigned at the beginning of the unit on Asia. (This project could also be complete during Asian History Month which is in May. The project due date will be at the end of the unit. Students will be required to submit a list of five references (which can include two websites, one encyclopedia) and answer the follow up questions in writing.

Teacher Portion: Teacher will introduce this project the second day of the unit. Teacher will only need one class period for this lesson. The first day of the unit will be spent covering a geography lesson on Asia.
1. Once students are settled introduce the project be reading the title, "Asian Country Projects”.
2. Tell the students they are going to research a country found in Asia. Before they chose the country will watch a video about some of the beautiful and unique place found in Asia. The movie I have chosen to show is: Asia [videorecording] / series produced by Telecom Staff Inc., TV Asahi ; presented by Pioneer Enter
