

Swamp White Oak

<https://quixel.com/megascans/home?category=atlas&search=oak&assetId=sedlcdyh2>

<https://quixel.com/megascans/home?category=3D%20asset&search=flaky&search=bark&assetId=vfowcewbw>

Pin oak

<https://quixel.com/megascans/home?category=atlas&search=oak&assetId=petnK2>

Closest was dead red oak leaves^

Cattail

<https://quixel.com/megascans/home?category=atlas&category=plant&category=stem&search=cattail>

^no mature assets

Asclepias incarnata (swamp milkweed)

<https://quixel.com/megascans/home?search=milkweed>

^no flower heads

Allegheny monkeyflower

<https://quixel.com/megascans/home?search=purple&search=flower&assetId=plvcafcp2>

^leaves not right for the linked asset, might be able to use goldenrod leaves:

<https://quixel.com/megascans/home?search=goldenrod&assetId=xg1lbfxia>

Buttonbush

No assets available

Cardinal flower

<https://quixel.com/megascans/home?search=red&search=flower&assetId=ug4jdb2ja>

<https://quixel.com/megascans/home?search=red&search=flower&assetId=pgjkl2>

<https://quixel.com/megascans/home?search=flag&search=flower&assetId=okyebh2h2>

Not great options but close^

Lady's thumb

<https://quixel.com/megascans/home?search=persicaria&assetId=piejbzp2>

<https://quixel.com/megascans/home?search=persicaria&assetId=piejiop2>

Shellbark hickory

No assets available

Northern blue flag

<https://quixel.com/megascans/home?search=iris&assetId=oiyecfdh2>

<https://quixel.com/megascans/home?search=purple&search=flower&assetId=plvcafcp2>

Musclewood

Wild ginger

Bloodroot

Meuseum of Biological diversity Borr Lab
