OHIO 4-H Motto: “To make the best better”

Ohio 4-H membership is based on a child's age AND grade as of January 1 of the current calendar year. Eligibility for Cloverbud participation begins when a child is age 5 and enrolled in kindergarten. Eligibility for participation in 4-H projects and competitive events begins when a child is age 8 and in third grade. Any youth age 9 or above is eligible for project membership, regardless of grade level. Membership requires enrollment in an authorized Ohio 4-H club or group under the direction of an OSU Extension professional or an approved adult volunteer. A youth's

4-H eligibility ends December 31 the year he or she turns 19. Joining Ohio 4 H is a privilege

and responsibility

for individuals and is subject to the Ohio 4-H Code of Conduct and applicable policies of The Ohio State University.

4-H members “Learn by Doing” by enrolling in and completing a project.

Exhibitors show results of completed projects. There are more than 800 boys and girls enrolled in Washington County 4-H Clubs. Volunteer local advisors are credited for the leadership development among these young people. Each club is under the direction of one or more local advisors.

CFAES provides research and related educational programs to clientele on a nondiscriminatory basis. For more information: go.osu.edu/cfaesdiversity

Washington County FFA Chapters

FFA makes a positive difference in lives of more than 450,000 young people by developing their potential for premier leadership, personal growth and career success. You can find FFA chapters in all 50 states, Puerto Rico, and the Virgin Islands. From floriculture to genetic engineering and raising crops or animals to marketing, there are more than 300 diverse careers in agriculture.

Current Year Market Livestock Sales (Auctions)

Inviting buyers and bidders

1. These guidelines are for all three fairs (Waterford, Washington County and Barlow).
2. It is the responsibility of exhibitors to ask area businesses to bid on their market livestock projects.
3. Exhibitors need to ask area businesses to bid on their projects for EACH fair where they will be selling an animal.
4. The “ask” can be done by sending letters with details about the project. But, buyers state the “ask” is most effective and appreciated when the exhibitor visits the business owners in person.
5. When visiting area businesses, youth should be accompanied by an adult. The exhibitor should introduce themselves, their project and why the business should attend an auction at an area fair.
6. **Tickets** are available for potential buyers.
 - A. All 2020 buyers are listed on the “2021” Sale Cover on the next pages.
 - B. All of the 2020 buyers will be mailed passes to the 2021 sales for all three area fairs. Passes are mailed in July.
 - C. If an exhibitor would like to invite a bidder/buyer who is not on this list, they need to call the OSU Extension office to request a buyer packet be sent to the new potential bidder. Exhibitors and parents cannot pick up the packets themselves, at the request of the cooperating fair boards.

Thanking Buyers

1. It is the responsibility of the exhibitor to properly thank the business or individual who buys their project.
2. The minimum thank you at the fair should be finding the buyer and shaking their hand in appreciation, along with giving them a picture of the exhibitor and the project animal. It is not necessary to provide a present at the fair.
3. Exhibitors should personally visit the business/individual after the fair for a proper thank you.
4. Each year, the fair boards and committees purchase a full page ad in the Thanksgiving Day edition of the Marietta Times. Exhibitors are encouraged to take a copy or mail a copy of this ad to their buyers.

2021 Buyer Appreciation Receptions

1. Exhibitors should be ready for the sale and have their animal ready before the receptions begin.
2. Exhibitors need to greet buyers and invite them to register for a buyer number and enjoy the reception.
3. Hog Buyer Appreciation Reception, Saturday, Aug. 15 at 3:30 pm
4. County Fair Livestock Buyer Appreciation Reception, Tuesday, September 8th beginning at 3:00 pm
5. Barlow Livestock Buyer Appreciation Reception, Saturday, Sept. 26 at 4:00 pm
6. All of the receptions are sponsored by Washington Electric Cooperative.

JUNIOR FAIR PARTICIPATION GUIDELINES

Age Requirements For Jr. Fair

1. To be eligible for cash premiums, 4-H/FFA members must be at least 8 years of age and enrolled in the 3rd grade as of January 1 of the current year and can show through the year in which the member attains the age of 19.
2. Ohio Administrative Code 901-19-01 (T) limits participation to exhibitors nine years of age or in the third grade through nineteen years of age, or as authorized to participate in either 4-H, FFA or other youth organization.
3. Cloverbud Members can exhibit at the fair and participate in Jr. Fair Activities. They may compete in open class events. They will receive a special participation ribbon for their 4-H exhibit but will not be awarded premiums.

County 4-H Project Judging

General Rules and Information

Who: All members are required to participate in project judging interviews. Please see 4-H Calendar for Project Judging date and make-up dates. Cloverbud members (K-2nd grade as of January 1 of the current year) are not eligible to participate in Project judging. Parents and advisors are asked to remain in the lobby area.

Why: Project judging is a learning experience for 4-H members. By participating members have the opportunity to practice interview skills, see what others have done, gain ideas to improve their project, and receive tips from judges for future project work. Project judging is also the venue through which outstanding members are selected to represent our county in their project area at the Ohio State Fair.

4-H Project Policy: "For a member to achieve the progression of goals needed for development, 4-H projects must be separate and different from those carried in other organizations such as FCCLA, FFA, Scouts, Farm Bureau Youth, Campfire, Grange, Church, School (including industrial arts classes, science fairs, school related contests and competitions, extra curricular activities, or any other projects deemed ineligible by the County 4-H Advisory Committee). If the project has received a grade, badge, ribbon, trophy, certificate or any form of placement and/or recognition from another organization or school, it is ineligible to be considered for a 4-H project." Example, a 4-H member cannot make the same bookcase for a 4-H project and a Boy Scout merit badge. However, a project completed as a member of a 4-H In-School Club is eligible for Project Judging.

Members must bring project book(s) and sign in at the registration desk: A score sheet must be completed for each project being evaluated. Please refer to the "*Washington Co 4-H Project Judging guidelines for completion requirements*". Project members will have approximately 5 minutes to share their project work/educational display and judges/interviewers will use the remaining 5 minutes to interview project members. If it is impossible for a member to attend the scheduled county project judging day, there is a make-up judging day posted on the 4-H Calendar (not eligible for state fair selection).

Parents: We encourage you to help your child accept the decision of the judge. Help them to realize that when they go to project judging, they are simply asking another qualified individual to give his or her opinion of what they did in 4-H. You or your child may or may not agree with the evaluator's decision, but you need to accept and respect it. Not everyone sees things the same way. Please help your child realize this. Success in 4-H should not be measured by blue ribbons and trophies, but rather by skills learned, friends made, and experiences gained.

Judging Procedure & Guidelines:

1. Project judging is required for all 4-H members to remain in good standing and to exhibit, show and/or sell at any of our three fairs. Market livestock, dairy, fancy and breeding animal projects will be required to participate in a skillathon for each of their livestock species. This includes horse project members (except Horseless Horse).
2. Evaluators will interview each member. Ratings of Superior, Excellent or Good will be given based on the member's project knowledge, book and records, according to the "Project Judging and Exhibit Guidelines" available from your advisor, the Extension Office, or at washington.osu.edu.
3. All project interviews will be scored using a score sheet according to the following scale: Superior 90 - 100, Excellent 80 - 89, and Good 70 - 79. Any score sheets not picked up by members will be sent to club advisors.
4. For projects #630 and #631: guns, bows, arrows and ammunition are not permitted at judging or at any fairs..
5. Project Judging Dress Code - The goal of participating in project interviews is to help 4-H members prepare for future interview situations. With that in mind, members should dress as if they were attending a job or college interview.
 - General appearance should be neat and clean
 - No t-shirts with inappropriate language or graphics
 - Jeans or long pants are preferred
 - Skirts/shorts should reach at least the mid-thigh.
 - No low-cut tops or visible undergarments
 - Hats should not be worn during the interview. Examples of appropriate dress: button-down shirts, polos, dressy tops, 4-H club t-shirts, nice jeans, capris, skirts.
6. State Fair Selection – If a project is eligible for State Fair, qualifiers and alternates will be selected from 4-H members receiving Superior ratings attending Judging Day. The only exception is that members who cannot attend judging due to another 4-H activity, such as Leadership Camp or Shooting Sports Camp, may have their interview pre-recorded and shown to the judge to be eligible for State Fair participation.
7. Make-up Judging – members not available to attend Project Judging must call the Extension Office to schedule a make-up appointment at 740-376-7431

JUNIOR FAIR PARTICIPATION GUIDELINES

Fair Premium Reports (includes booth exhibit awards and premiums)

1. Each 4-H club will receive its Fair Premium Report, a computer listing of members and their projects, when booths are set up. Each 4-H member exhibiting a project will receive an Exhibit Award for each project displayed in the club booth based on respective Fair Board Rules. This report must be completed and returned to the OSU Extension staff prior to the start of the fair. Jr. Fair Board members (except for Waterford) will transfer this information to a voucher. This voucher will be given to the Sr. Fair Board. The Sr. Fair Board will include premiums for the club booth and premiums for club members who display project(s) in the club's voucher check for the year. The advisors will receive this club voucher check after the fair. Advisors are responsible for distributing the premiums to each member as listed on the club voucher summary enclosed with the check.
2. All 4-H members exhibiting still projects in the booth will receive an Exhibit Award of \$3.00 for up to five projects at Barlow Fair; \$2.00 for up to three projects at Waterford Fair; and \$3.00 for up to five projects at County Fair. Barlow Fair only - 4-H'ers can exhibit more than five projects, but will only receive premiums for five. Waterford Fair only – Hog projects being exhibited in the barns are to be reported on this form.
3. Premium reports are also available for Girl Scouts, Boy Scouts and related organizations for the Washington County Fair only. Details are listed in the Jr. Fair Building Department in the Washington County Fair section of this guide.
4. FFA and 4-H exhibitors with animal projects will receive premiums based on vouchers in their respective departments. The Jr. Fair Board (except for Waterford) will record the details of these exhibitions based on the rules and regulations provided by the Sr. Fair Board.
5. Each 4-H Club exhibiting a booth in the 4-H/Jr. Fair Building will receive a \$25.00 (Waterford, Barlow & County fairs) exhibit premium. Cloverbud projects are to be listed separately, as Cloverbud projects are based on participation and items are not judged.

4-H Club Booth Exhibit Information

1. Use of the 4-H year theme is OPTIONAL for 4-H booth exhibits. Clubs will not be penalized for using other themes.
2. An advisor from every 4-H Club must submit a reservation form in order to reserve a booth at the fair. The reservation form is available at the Extension Office or online at Washington.osu.edu and includes the deadline for the form to be submitted to the Extension Office.
3. Project displays should be educational and designed to show the public what the 4-H'er has accomplished, displaying project articles, not just a project book. Advisors should help each 4-H member decide the best way to display his or her project in reference to the "Project Requirements" list. 4-H labels will be furnished or clubs may make their own to fit the theme of the club exhibit.
4. For group or club projects, have the group do a good educational exhibit with their names listed. Avoid the displays with multiple plates of foods and/or posters. Use non-perishable, wrapped, food items when exhibiting 4-H Food & Nutrition projects. Please do not use foods that will spoil quickly and attract insects.

4-H Booth Judging Contest

All 4-H Club booths will be judged at each fair for the ability to attract attention, hold audience interest, and portray an easily identified theme. Exhibits from each club must show members' work, club activities, club advisors' and members' names, and community service projects. Certificates will be awarded to top booths and placed in each booth before the fair starts. Each club may only exhibit one booth at one fair and must designate at which of the fairs they will exhibit.

Booth Construction

Each 4-H Club will be asked to sign an Exhibit Agreement on the day of booth set-up that will be given to the Extension staff. All 4-H Clubs must comply by the following rules:

1. All staples, screws, thumbtacks, nails hangers, etc. used to decorate the booth must be removed when the booth is disassembled.
2. Tables, shelves, partitions, etc., must be self-supporting.
3. All painting and spraying must be done outside the building to protect the walls and floors.
4. Any significant structural damage to the booths will be charged to the club or organization.
5. Clubs and organizations should bring all of their own supplies. The Extension Office will not have supplies available.

Large Animal Services

We treat all livestock and farm pets at your home or in our office. Our doctors see cattle, horses, goats, sheep, llama, alpacas, and pigs.

Wellness Services

At Green Meadow, we believe strongly in the importance of thorough, periodic wellness exams that can possibly lead to early detection of serious health issues.

End of Life Care/Hospice

There comes a point when a beloved pet's time to pass comes, often unexpectedly. The decision to humanely euthanize a pet is not an easy one. We understand.

Surgery & Orthopedics

All the veterinarians at Green Meadow Veterinary Hospital are skilled surgeons, offering the option of radiowave surgery for most surgeries.

Dental

We are told to brush and floss every day and see the dentist twice a year. Your pet is no different.

Boarding

Whether for a weekend getaway or a two-week cruise, Green Meadow Veterinary Hospital will care for your companion with the same devotion and detail as you would.

Project Interview and Book Judging – What you are expected to bring....

First Year 4-H Projects

Must purchase the appropriate 4-H Livestock Record book from OSU Extension and complete the project book(s) based on the level (beginner, intermediate, senior). Members should complete the Topic Summary and be prepared to discuss the summary with the judge. Members should also complete pages that relate to feed expenses, rate of gain, growth charts, and treatment record (where applicable). Members should also include a picture of their project animal and insert it on the appropriate page. Some pages may be optional, however it is still best practice to complete the book in its entirety. Judges will give a score based on the pages completed and questions asked by the judge during the project interview.

Second Year and Beyond 4-H Projects

Must purchase a 2020 4-H Livestock Record Book from OSU Extension and complete all the activities in the record book. You need one Livestock Record Book for each project (not animal) you are raising. Keep this record book in a binder with years' book.

FFA Members

Must bring a **printed** record book to judging – It can be off AET or a printed record book provided by your FFA advisor. If student does not bring a printed record they must see an FFA Instructor to view the AET book online. Student will need a project book for each project they are exhibiting at the fairs. The project book may not be used more than one year for project unless the animal is a breeding animal. Make sure the record book covers, weights, feed record, and medical or bills you may get during the year. Members should have an over view of the project completing the plan part of the record book. Members should also complete pages that relate to feed expenses, rate of gain, growth charts, and treatment record (where app.)

Waterford Community Fair

The Waterford Fair is not considered an agricultural society and does not receive any state money to operate the county Jr. Fair Hog Show or 4-H booths as do the other two fairs in the county. All funds to operate the market hog exhibition are derived by the Waterford Fair Board and a percentage from each exhibitor's hog sold. These funds are used to repair the facilities, pay for utilities, judges, premiums and other costs incurred by the Waterford Fair Board.

This guide simply reviews the Jr. Fair aspects of the Waterford Fair, other rules and regulations should be sought directly from the fair. Complete fair details are located on their website at: <http://www.waterfordfair.com/>

Market Hog Show and Sale

- Please note that this exhibition is subject to the rules and regulations of the Ohio Department of Agriculture the same as other youth market livestock exhibitions in the county.
- Be sure to review rule / sale section of this guide.

HOG PEN SPACE REQUIREMENTS:

- Exhibitors shall keep their animal's pen, the aisles, and general barn area clean and free of manure and debris during their stay at the fair. Exhibitors will not be permitted to store feed or show equipment in the barn. All animals shall be cared for by exhibitor until the close of the fair. Failing to do so after being warned shall result in loss of right to sell your hog.
- All exhibitors are required to use rubber hog feed pans. You must mark or identify your feed pan with some kind of permanent identification. No metal pans will be allowed!
- If you are not able to take your hog to the fair, notify Chris Campbell (740-984-4646) by July 31 when possible. This is due to limited space in the hog barn. If you want to share a pen with someone or have a pen request other than a brother or sister, notify Chris Campbell (740-984-4646) by July 1.

Waterford Jackpot Show and Open Class Events

- Jr. Fair projects in the county such as feeder calves or dairy feeder steers may be shown in the open class and jackpot shows at the Waterford Community Fair. Please see their website for complete rules and regulations.
- Any Jr. Fair exhibitor may show their 4-H project in any open class breed show held at the Waterford Community Fair. Exhibitors are encouraged to use events such as this to practice showing their animals.
- All events, activities and shows not listed in this section are considered open class events by the Sr. Fair Board.

Washington County Overall Showmanship Contest:

1. Each livestock showmanship contest (rabbit, poultry, turkey, dairy feeder, goat, sheep, beef, dairy, horse) will select a 1st and 2nd place County Showmanship Winner from the current age divisions (Junior, Intermediate, Senior) to participate in the Overall Showmanship Contest.
2. All current county showmanship 1st place winners (rabbit, poultry, turkey, dairy feeder, goat, sheep, beef, dairy, horse) will participate in the Overall Showmanship Contest.
3. If the 1st place county showmanship winner is unable to participate in the Overall Show Showmanship Contest, the 2nd place county showmanship winner will participate. If the 1st place and 2nd place both decline there will be no one to represent that specie in the Overall Showmanship Contest.
4. Contestants will supply nine animals and the necessary show equipment for the contest, with the exception of rabbits, poultry, & turkey who will provide one animal.
5. To assign animals to each contestant, there will be a random drawing to match animals with contestants. Numbers will be drawn for each specie show.
6. Judging will be based on a point system of one through nine. The participant with the lowest score will be the Overall Showmanship Champion. If there is a tie with the lowest number score, tie breaking questions will determine the overall winner.
7. Contestants will show all species, including the specie for which they are the county winner. This will make a total of nine classes in the competition.
8. Contestants will be judged by adults secured by the Livestock and Horse Committees.
9. Judges will be limited to 10 minutes per class to do both judging and placing of the participants.
10. The dress code for the competition will be long pants, sleeved shirt and boots. No hats.
11. Overall Showmanship Contest winners are eligible to win the Overall Showmanship contest more than once.
12. Awards will be provided to the Overall Showmanship Champion and Overall Showmanship Reserve Champion.

WASHINGTON COUNTY 4-H HORSE PROGRAM GUIDELINES & REQUIREMENTS

Washington County 4 H members are eligible to register two riding project animals for the 4 H year by June 1 of that year. Only one horse project is permitted to attend a Performance Against The Standards (PAS) and State Fair shows. Two (2) riding animals and one (1) production are permitted to attend the Washington County Fair. The State's rules for the Performance Against The Standards (PAS) Show will be followed. Find them at: <http://horse.osu.edu> Horse projects are not permitted in more than one county at a time.

The county committee will allow an animal to be used by more than one member within the same immediate family. However, only one member may attempt to qualify for State Fair. Both members may compete on one horse at County Fair. In the event of both members qualifying for a championship class, the family will decide who competes.

4-H project horses may be leased by exhibitors. Leased projects must follow regulations outlined in the Ohio 4-H Lease Agreement. A completed lease agreement **MUST** be on file at the Extension Office by June 1 for eligibility. Lease agreements are available at the Extension Office and on line at: www.washington.osu.edu

Mandatory Requirements for 4-H Horse Project Members:

- a. Each family must purchase project 191R Horses, Safety, and You and view two (2) videos (Every Time... Every Ride and Horses, Kids, & Ethics). The videos are available at the Extension Office. Call 376-7431 to reserve them. After reading and viewing, must also sign a copy of the form in the back of project 191R. This form can be copied, and only has to be completed once during a 4 H member's career.
- b. All 4-H Horse Project Members must fill out, have required signatures and turn in by April 15th 4:30 pm of current project year the Permission to Participate in 4-H Horse Activities Form. This form must be completed every year.
- c. County Skillathon is required for ALL 4-H members to remain in good standing and to exhibit and/or show at any of our three fairs. All horse project members will be required to participate in Skillathon/Hippology. Please see 4-H Calendar and/or Junior Fair Activities Guide for date, location and make-up dates/times. All members taking a horse project must participate in the Horse Skillathon on July 31 (Horseless Horse project members will participate in non-livestock project judging on July 16 at the Career Center times will be announced later) at the Washington County Fair Multi-purpose building 8:30am-11:30 am. Make-up date is August 9 , 6:00pm – youth must call to reserve an appointment time with a \$20 fee.
- d. Lessons, instruction, and advice for the member are encouraged. As long as the member is present in a learning situation, such assistance can include occasional riding or handling of the horse by another person, but cannot include regular training and care of the horse within 30 days of the completion of the Junior Fair Horse Shows at the Washington County Fair. Showing a 4-H member's project animal in a class at a show is not considered training. However, if a project animal is shown by someone other than the 4-H member in an open or breed from 30 days prior through the completion of the Junior Fair Horse Shows at the Washington County Fair, the 4-H member must be present and must show the project horse in at least one class at that same show.
- e. **Helmet Policy for the Ohio 4-H Horse Program:**
"All youth age 19 and under, participating in any 4-H equestrian activity, are required to wear properly fitted protective headgear which meets or exceeds current ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards with the chin harness securely fastened at all times while riding or driving an equine.

It is the responsibility of the rider, or the parent or guardian of the youth participant, to make sure that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition. The Ohio 4-H Horse Program, Show Committees, Officials, Extension Personnel and Volunteer Leaders are not responsible for checking headgear worn for such compliance.

The Ohio 4-H Horse Program, Show Committees, Officials, Extension Personnel and Volunteer Leaders make no representation or warranty, expressed or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear, as no helmet can protect against all foreseeable injuries in equestrian activities.

The Ohio 4-H Horse Program, Show Committees, Officials, Extension Personnel and Volunteer Leaders may, at his/her discretion, check a participant's protective headgear for proper standards. If the youth is found to be wearing unapproved, defective, or improperly fitted headgear, he/she will not be permitted to participate in riding or driving activities until proper headgear is acquired."

WASHINGTON COUNTY 4-H HORSE PROGRAM GUIDELINES & REQUIREMENTS (continued)

1. Fill out in duplicate a Horse Project Animal Declaration Form. Two are enclosed. Complete one form for each project animal—A copy may be obtained at the Extension Office by June 1, 4:30 pm. Forms received between June 2-8 will be assessed a \$20 late fee. No forms will be accepted after June 8, 2021, no exceptions.
2. All 4-H horse project members are required to attend one Equine Educational Riding Sessions in order to participate in the shows and events at the Washington County Fair. However, members are welcome to attend as many sessions as they wish. Members may bring their own horses to designated sessions but are not required to. Exhibitors do not need to bring project horses to attend. We strongly encourage parents to stay at the sessions so they are better equipped to help their child to better prepare for the fair and other competitions. See enclosed flyer for current year session topics, dates, times and locations.
****YOUTH planning on participating in any PAS to qualify for State Fair MUST complete their required attendance at least ONE Equine Riding Session BEFORE trying out at ANY PAS show.**
3. Performance Against The Standards Qualifier show(s) will be held to accommodate the membership. Members are limited to four (4) pre-selected classes (minimum of two). Classes offered will be determined by member pre-registration.
****YOUTH planning on participating in any PAS to qualify for State Fair MUST complete their required attendance at at least ONE Equine Riding Session BEFORE trying out at ANY PAS show.**
4. At all 4-H horse shows, only Show Officials are permitted in the arena when judging is occurring.
5. In case of inclement weather, parents are asked to check with their club's Organizational Advisor and/or the Extension Office on the day of the scheduled shows to verify that the show is still scheduled.
6. **Hardship Clause** - If one member has registered two (2) riding animals exclusively, that individual will use the remaining project animal. The exception shall be when two or more family members register the same horses then the following Hardship Clause shall apply. If one (1) riding project animal is registered, then follow the Hardship Clause as outlined.
 - a. If a project horse dies you may declare a new project.
 - b. If a horse is seriously ill or injured and a vet examines the horse and submits a signed statement that this horse will be unable to finish the year as a project horse, you may declare a new project.
 - c. The committee reserves the right to inspect the original project and may speak to the vet that did the exam.
 - d. If a horse is ill or injured and the vet says he will be able to show at the fair, this is not considered to be a horse that is unable to finish the year as a project and the 4-H'er will not be permitted to adopt another project.
 - e. 4-H member will not be permitted to switch back to the original project after member has adopted a new project for that year.
 - f. The above stated reasons to claim a new project will not be altered in any way and are to be the only reasons for a project switch.
 - g. Hardship animals are not eligible for State Fair.
 - h. Abuse of this clause may result in it being dropped for future years. Member cooperation is required for the good of this program.
 - i. All other situations may be presented to the Saddle Horse Committee and decisions will be made on a case by case basis.

At County Fair Horse Shows:

1. There are to be NO ALCOHOLIC BEVERAGES brought to a 4-H function by any parent, guest or 4-H member. THIS WILL BE POSTED AND ENFORCED.
2. There is to be NO SMOKING in any of the barns by anyone at any 4-H function.
3. There will be three approved Stewards with one/two alternates. There must be a vote of three on any decision.
4. Horses are required to be stalled on the fairgrounds. All horses need to be in place by 7pm Friday September 3, 2021 and may not leave the fairgrounds until Tuesday September 7, 2021 at 4pm.

Safety Rules for Shows

- Grooming is not permitted in the aisles due to safety reasons.

Horse Judging – Horse Arena, Monday, 10:00 am

1. Any horse project participant is eligible to participate in the Horse Judging Exhibition. All classes will be held on Monday. Participants will be given the opportunity to try out their judging skills in all three classes and see how their judging decisions match up against experienced judges and/or committee members.
2. Participants will become the judge in the ring! Horses will be ridden by adults and placed in first through fourth order by the youth participants based on normal judging criteria. The adult judge for the day will provide the key to the placings. Youth participants also will be asked one to five questions by the adult judge which will be included in the total score for the contest.

Educational Equine Sessions

All horse project members must attend one educational equine session in order to participate at County Fair Horse Show. A horse project member who wishes to participate in a PAS show must attend a session prior to the PAS show. Please refer to the 4-H calendar for dates.

Livestock Housing

Check the appropriate fair(s)

___ Waterford

___ County

___ Barlow

This form applies to all livestock projects (market or breeding) in which the animal(s) is housed away from the exhibitor's home.

Housing away from home is defined as 'any amount of time where an animal(s) is taken care of away from the exhibitor's home location with the exception of shows/exhibitions.

If the animal is shown in another exhibition, the exhibitor must not show a breeding project as a market project or visa versa.

Cooperator is defined as 'the owner/operator of the facility where the animal(s) will be housed.'

Any exhibitor found to be housing their animal away from home without a completed form will loose the right to show and sell any project at the Waterford, Washington County, and Barlow Fairs for the duration of the project year.

Form is due to the Extension Office, 202 Davis Ave., Marietta, no later than 4:30pm on April 15th of the project year. One form each year per project.
