

# Ohio 4-H & FFA Hockey Night

Hosted by The Ohio State University College of Food, Agricultural, and Environmental Sciences (CFAES)

Thursday, February 27, 4:30-6:30pm  
Registration closes Feb 20

The Prospective Student Services Office would like to invite you to participate in **Ohio 4-H & FFA Hockey Night** programming on the CFAES campus at The Ohio State University. The CFAES

programming will offer a unique opportunity for your group to visit CFAES and our facilities while learning about programs and resources within the college. Come experience a college that offers premier leadership, personal growth opportunities, and career success to all its students.

This year, CFAES will be offering the following tours and/or activities

- ***CFAES Campus tour:*** Led by the CFAES student ambassadors, explore the CFAES campus in this 50-minute tour. See classrooms, labs, dining spaces, and more from the perspective of a current student (dress warm).
- ***Academic Program Table Fair & CFAES Majors & Careers Game:*** Interact with our academic unit staff and student leaders to learn more about what majors and student organizations CFAES has to offer and form a team to play a game to learn more about CFAES careers and win prizes in this 50-minute session.

We have space reserved if groups would like to have dinner delivered and eat on the CFAES campus before the game, but we do not supply dinner for this event. The hockey game against Michigan will start at 8pm. **To purchase tickets to the hockey game, please email Jack Kilbane – [Kilbane.76@osu.edu](mailto:Kilbane.76@osu.edu) or 614-247-9381.**

Groups can register for CFAES programming all together. When filling out the registration, you will be asked to rank your session preferences. Availability is limited and will be determined on a first come, first served basis. You will receive an email confirmation of your tour schedule, parking instructions, directions, and contact information for the day of your visit. If you have any questions or need assistance scheduling, please do not hesitate to contact me by phone or email.
