

# Creating a Technology Bucket

## “Ditch the Devices” for FCS Dine-In Day

1. You will need a bucket or basket, which will be where you place other items in the kit.
  - This bucket will be where the devices should be placed for family mealtimes
  - Include label on the bucket with OSU sticker and “I’m Dining In” sticker

- “Dining In” sticker available for free through AAFCS website.
  - Go to [www.aafcs.org/FCSday](http://www.aafcs.org/FCSday)
  - Click Access Dining In Resources
  - Click on Promotional Materials
  - I’m Dining In Stickers are the first option- order online in packs of 25 for free

2. Examples of buckets that can be used (all available at the Dollar Tree)

3. Family mealtime conversation pieces to go in the bucket (choose one)
  - Napkins already printed with questions  
<https://www.mardigrasnapkins.com/>
  - Use cloth napkins and write conversation starters on them
  - Write down questions, print, and place in Ziploc bag

4. Include kitchen tool to put in device bucket (Dollar Tree)

5. Include recipes, factsheets, or magnets about healthy meals or dining together
6. Optional: Include dry erase board instead of kitchen tool

-Dollar Tree
