WRITERS IN RESIDENCE
REENTRY MENTORSHIP INITIATIVE

Make a difference in a young person's life today!

OUR PROGRAM

We provide our youth who are or were incarcerated with an adult mentor who will assist them in reentering society by being a positive, consistent, and supportive resource! Our mentors meet with our youth on a regular basis to help them achieve their goals, build life skills, and develop their self-worth!

GOALS

- Provide our mentees with positive peer mentorship to cultivate their trust in others and themselves.
- Build our mentees' self-esteem, self-efficacy, and self-awareness.
- Facilitate the design and implementation of our mentees' reentry care plan that details SMART goals for them to be successful.
- Connect our mentees to local social services and community resources including education, employment, housing, transportation, food security, and physical and mental health support systems.
- Create a safe and confidential atmosphere for our mentees to grow and learn alongside their mentor.
