

Ohio Beef Cow/Calf Workshop

Are you looking at all your options to make your cow/calf operation profitable? OSU Extension is bringing in experts from Ohio and surrounding states to discuss and demonstrate the practices that you might apply on your farm to improve your operation. By attending the sessions below, you will receive the needed interaction with speakers and participants to address any questions, as well as the opportunity to connect with fellow cattle producers.

SESSION 1

Session 1 will focus on alternative feeds and forages and managing brood cow nutrition with discussion led by Dr. Francis Fluharty.

SESSION 2

Session 2 will focus on herd health and reproduction with Dr. Les Anderson from the University of Kentucky and Dr. Foster Anderson, a highly respected local cattle veterinarian. We will include live demonstrations on topics such as body condition scoring, breeding soundness exams, and semen handling.

Beef Quality Assurance certification requirements will be met for participants that attend **both** sessions.

January 30, 2020 | 10:00 am – 2:00 pm
