

Stay Alert and Don't Get Hurt

As a pedestrian, it is your responsibility to make yourself visible and avoid dangerous situations. There are many hazards that exist for pedestrians traveling around campus. Here are a few tips to make it safely to your destination.

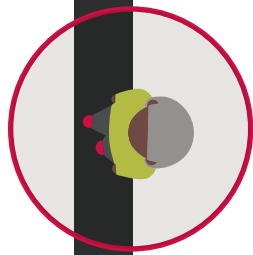

Do not walk while texting.

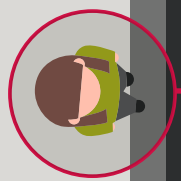

Ensure your bike has front & rear reflectors.

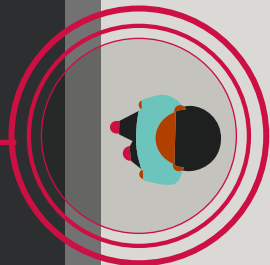

Take extra caution during times of high traffic.

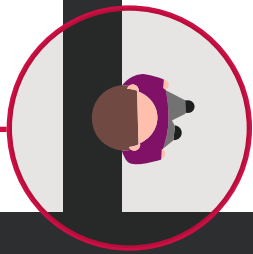

Look both ways before crossing an intersection.

Always be aware of your surroundings.

Make eye contact with motorists, if possible.

Be aware of temporary construction sites.
