

# World Water Day @ Ohio State

Thursday, March 22, 12 - 3 pm

South Oval

Celebrate the United Nations' World Water Day 2018 with a Water Awareness Event on the South Oval. Stop by the World Water Day Tent and learn more about the importance of water, what Ohio State researchers are discovering about water, and what students are doing to provide safe, convenient water around the world.

## World Water Day displays include:

- AquaTerra Student Organization
- Byrd Polar and Climate Research Center
- College of Public Health
- Engineers without Borders Student Chapter
- Energy Services and Sustainability
- Friends of the Lower Olentangy Watershed
- Global Water Institute
- Office of Energy and Environment
- Ohio Sea Grant
- Ohio State Wetlands
- Office of Student Life
- Ohio Water Resources Center
- Sustainable and Resilient Economy Program
- Untapped Shores Student Organization
- Wexner Medical Center

### Sponsored by:

Global Water Institute  
Office of Energy  
and Environment  
Sustainable and Resilient  
Economy Program  
Wexner Medical Center
