

Are you a person with a disability or a chronic health condition?

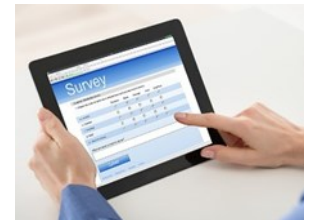

Are you 18-65 years old?

We want to learn about your experiences since the COVID-19 outbreak.

We are doing a **survey** with people with disabilities and chronic health conditions.

- What about your life has changed since the COVID-19 outbreak?
- What services and supports do you miss?
- What are you worried about?

Your voice is important!

What will happen in the study?

- You will do an online survey.
- You can do the survey on your own phone, tablet, or computer.

- The survey will take 20-45 minutes.

20-45 min

- Everything you say is private.
