This form is available online ONLY in 2022. Exhibitors with these projects will be sent an email with additional instructions **FRIDAY, AUGUST 5.**

The form should be submitted by Friday, August 12 at 11:59 p.m. Anyone who does not complete the form by this time will be weighed in last and required to complete the form before weighing in. Should a medication be administered to the animal after the form is completed, you will need to submit the form again to report the medication, even if it is after the August 12 deadline.

## Fans

One per animal. All fans must have three prong plugs and be at least 24 inches off the ground. No surge protectors are permitted. Extension cords must be 12/3 wire with no wrapping around posts. Zanesville Fire Department will be on site to check for compliance.

## Treatment of Sick Animals

Animals shown for judging or sale by anyone other than the exhibitor will not be allowed, except by special arrangement with the Barn Superintendents in advance. Only another Muskingum County Junior Fair exhibitor can show the animal. Exhibitors must complete the Alternate Exhibitor Request form and submit it at their species barn meeting. The form is available on our website: [muskingum.osu.edu/juniorfair](http://muskingum.osu.edu/juniorfair)

## Livestock Sale Information

Exhibitors may sell only one lot of livestock in the market animal livestock sales, Bossy's Jug and Derby Bucks Auction. The exception to this is that all overall Grand and Reserve Grand Champions must sell. Youth with multiple projects must declare which will sell in auction at the Junior Fair Office immediately after they finish showing.

**Notes about Sale Checks** - No sale checks are sent until ALL BUYERS have paid. Sale checks are only good for 60 days.

### Buyer Thank You Signs

All youth are encouraged to hang thank you signs for 2021 buyers. Exhibitors must provide their own signs, no blank signs are available this year.

### Buyer Photos for Hog Exhibitors

There will be no photographer at the hog sale printing photos for the buyer cards. **Each youth with a market hog project is required to bring a photo to affix to their buyer card.** Buyer cards will be available for the barn meeting. Youth should bring their cards with the photo attached to the sale.

The requirements for the picture are as follows:

- 4×6 photo of youth and their animal
- Landscape orientation
- Must follow showmanship dress code

### Buyer Photos for Other Exhibitors

A photographer will take buyer photos for other market animal exhibitors during the market shows.

### Sale Buyer Contacts

In order to have successful sales, it is helpful for prospective buyers to know about the sales.

- Contact people/businesses you know in advance. Some businesses make lists ahead of the fair of whose animals they might purchase.
- Invite them to the auction to bid and consider purchasing an animal (NOT just your animal).
- Give the potential buyer the date, time and location of the auction.
- Instruct new buyers to call Muskingum Livestock Sales (740-452-9984) to become a registered buyer and receive a buyer packet before the fair.
- Thank all bidders with a personalized card.

**Announcements will not be made during the sale by auctioneers for the youth selling.** If you want to donate part of your sale check to a specific cause, you may do so on your own time.

### Dairy Reminders

- The Junior Fair Dairy Show is Tuesday, August 16 at 9 a.m., beginning with Showmanship. Dairy exhibitors show in white shirts and white pants. Pants should be **over** boots with no leggings. We will meet in the Coliseum arena for a group photo, IN YOUR SHOW WHITES at 8:45 a.m., where we also may get instructions from the judge. Let Pam Mitchell, the barn superintendent, know if you have any questions.

### Ice Cream Barn Help Needed!

- Dairy exhibitors are asked to work at least one shift in the Ice Cream Barn, please contact Mandy McKenzie (740-644-4225) or Jenny Eck (740-819-4997) if you have not already signed up.
- The Dairy Promoters still have several time slots open for 4-H clubs to use as a community service project or earn \$25 for their club. Contact Mandy McKenzie (740-644-4225) or Jenny Eck (740-819-4997) for more information.

### Dairy Promoters Coloring Activity

- Download the Dairy Promoters 2022 Coloring Page: [Milk Carton Coloring Page](#)
- You can include the theme “Dairy in the USA,” or color it however you like!
- Bring your completed picture to the Ice Cream Barn on Saturday before fair or Sunday of fair. All youth will receive a coupon for ice cream!

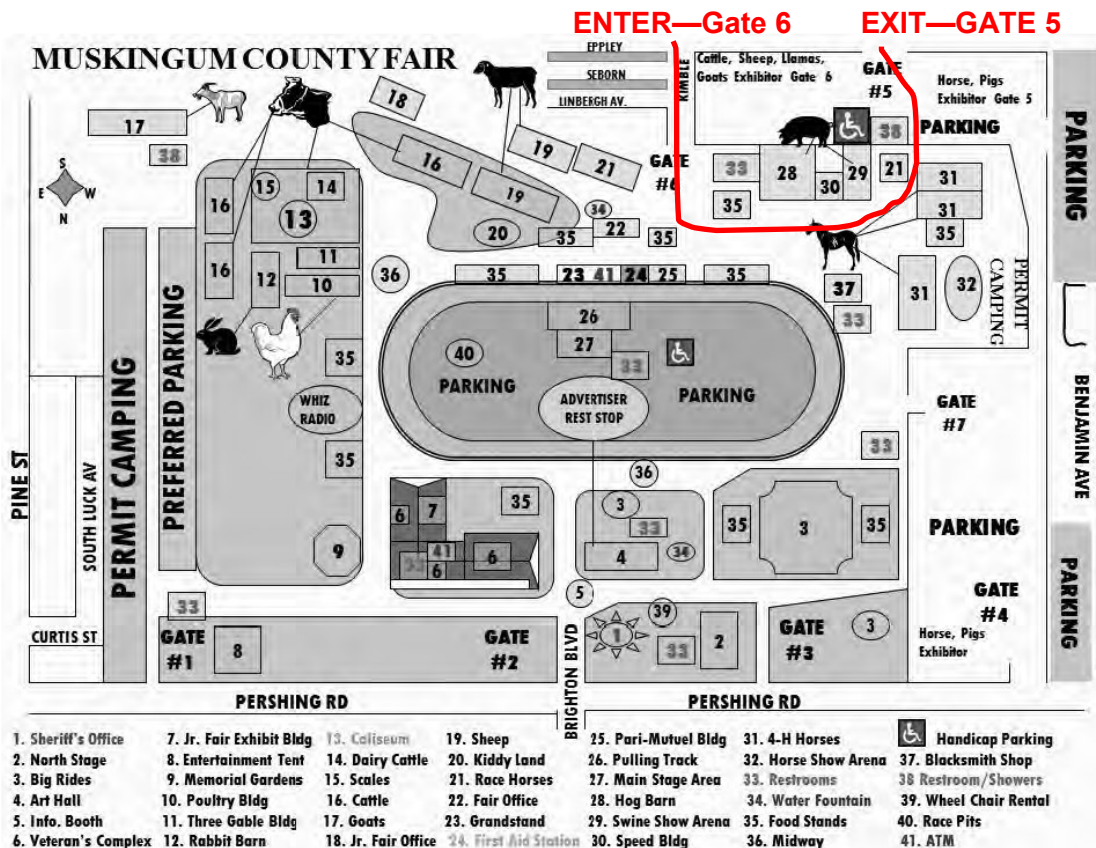

### Goat Reminders

- If using a registered tattoo or microchip, original registration papers must be made available immediately upon request during fair. Microchipped goats must have an E or ET tattoo. If the goat has a microchip, the exhibitor must provide their own microchip scanner immediately upon request during fair. If the exhibitor cannot produce the required information or paperwork immediately, the animal will be dismissed from the grounds.

## Horse Reminders

- 5-way vaccination by a veterinarian is required for all horses age yearling and older to be administered by August 1. Exhibitor must submit documentation of vaccination to the Junior Fair Horse Committee at the entry booth on Day 1 of the Muskingum County Fair by the end of the 12:30 p.m. barn meeting. Any horse that does not have a vaccination record submitted by this time will be dismissed from the grounds.
- **NEW THIS YEAR! Derby Bucks Auction** - The Junior Fair Horse Committee is hosting the first Derby Bucks Auction to benefit horse exhibitors! The Horse Committee is asking any club with horse projects to donate items to the Derby Bucks Auction and to invite potential buyers to the event on Tuesday, August 16 at 1 p.m. in the Horse Arena. Auction items can be horse specific (décor, tack & supplies, apparel, etc.) or not (gift cards, food items, etc.) Questions? Contact Randy Roberts at 740-319-1185.

- Livestock trailers, as well as horse trailers, will not be permitted to remain on the fairgrounds or fairgrounds parking lots during the fair.

Hog shaving/grooming (as taken from the fair book) – no “slick clipping or body shaving of market hogs except on the ears, tails and underline.” Slick clipping or body shaving is defined as less than 1/2” length of hair. Only water is permitted to be sprayed on hogs on show days.

All hogs will have their hair measured prior to market hog weigh-in. Any hog with hair below 1/2” will be disqualified and sent home. All hogs in the final drive for a weight division will also have their hair measured prior to entering the show arena. Any hog with hair below 1/2” will be disqualified. ### Swine Influenza

Pigs can be infected with swine influenza viruses that are different from human flu viruses. Swine flu viruses spread among pigs and—while rare—can spread from pigs to people too.
