4690 Butler Road
Roseville, OH 43777

November 10, 2022

To Whom It May Concern:

Our committee is reaching out for your support. The announcers stand and entry booth at our horse arena has been in place since 1998 and at this point has reached the point of dilapidation. Our committee has set a goal of \$20,000 to replace the current structure with a new two-story structure that will update our facility and increase safety at our events. This new building will include the following features:

1. Space inside for exhibitors to enter so that in the case of rain they are not getting wet
2. Space inside to display patterns, showbills, numbers, and other documents so they will not get wet.
3. Windows that will allow visibility of the entire show pen so that the announcer and judge (when inside) can see the entire pen during classes and warm-up times.

Our fundraising goal includes material costs and labor for this new building. Should we come in under budget or raise more than our goal, additional funds will be used for improvements to the horse arena area that may include but are not limited to new arena fencing, new arena footing, gates, trail supplies, walkie-talkie radio system for use during shows, tables, chairs, and electronics that will be the property of the building.

This facility will be used by our 4-H clubs to host educational events as well as during the fair for the horse show portion (four days). Additionally, this will be used when groups lease the venue for their horse shows. These events are imperative to the development of our youth with their equine projects.

Our goal is to start building in the Spring of 2023 and any donation amount is appreciated. Please see the attached donation form.

Sincerely,

Shirley Etters
President, Muskingum County Jr. Fair Horse Committee
