Broadway Rush, Lottery, and Standing Room Only Policies

BY RUTHIE FIERBERG, NATAN ZAMANSKY

Playbill's complete round-up of the latest Broadway rush, lottery, standing-room-only (SRO), and student ticket policies.

Anyone willing to wake up and get to the box office early, spend some time in a line, or stand during the show, can get greatly discounted tickets to the majority of shows on Broadway. Or if none of those appeal, several Broadway shows now offer digital or online lottery options.

The idea of a rush for affordable tickets all started with *Rent*, which, at the peak of its popularity, sold all seats in the first two rows of the orchestra for \$20 to whomever would get to the box office in time on the day of the performance. (Read more about the history of the Broadway rush line [here](#).)

Playbill ClubSEATS is the monthly Broadway Ticket Giveaway brought to you by Playbill Discount Club. [Click here](#) for more information.

Find a full listing of rush, lottery, standing room, and student and young professional discounts below:
