

Tomorrow is the Future

By: Emma Fifer

Tomorrow is the future

So don't you go slackin'

4-H is the place

To make it all happen.

Future skills learned

And community service.

Without these things,

It would be a disservice.

Creating great memories,

And being in the sun.

All of these activities

Feel like a home-run.

4-H Club meetings,

And Camp Palmer thrills.

All of this prepares you

For future life skills.

There always are challenges

That may seem like a fretter.

But it's all about trying

To make the best better.

All this can happen

If you just see.

That building tomorrow's future

In 4-H is where you want to be.
