HENRY COUNTY 4-H CAMP - MAY 19-20

The camp counselors and volunteers want to help 4-H horse project members gain confidence in working with their horses. Whether you ride Western or English, want to show competitively, or simply want to know about safe handling of horses, "A Whole New [Horse] World" is for you!

Campers will have fun learning about their horses on the ground, riding, and other horse-related topics, living cooperatively (camp life!) and making new friends. This camp is designed for Beginner and Beginner-Intermediate level riders ONLY regardless of age.

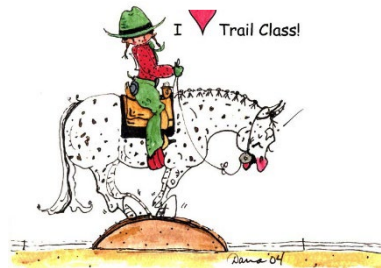

Bring your own horse OR JUST YOURSELF. However, we will not provide horses for this camp. But you're welcome to come learn anyway!

Registration fee includes meals, a camp photo, and a camp t-shirt. By offering a balance of riding activities, horse-related knowledge sessions and traditional camp activities, all participants will have the opportunity to learn, grow & have a great time! I hope you will join us!

Sincerely,

Morgan A. Parcher

Note to parents:

Please plan on attending on Saturday from 2:30p through 5:00pm [or until the show is over]. We are happy to introduce a "Mock Show" for the campers to participate in! To show off their improved skills and understand there's more to going to attending a horse show than just showing a horse.
