

How do I join 4-H?

Most clubs in Henry County begin meeting in February - so be sure to connect ASAP! Contact the Advisor listed in this brochure - they will let you know when the next meeting is and if they are accepting new members.

How do I know if this club is right for my family?

Give us a call at the Extension Office. We may ask a few questions such as where you live, where the kids go to school, are they interested in a particular project, do they do well in large groups versus smaller, groups - all of those answers help us to give you a few options! Kids tend to be more successful when they are placed with their friends!

Deadline to sign up:
