

Social Story

Rules

Wednesdays at the pool.

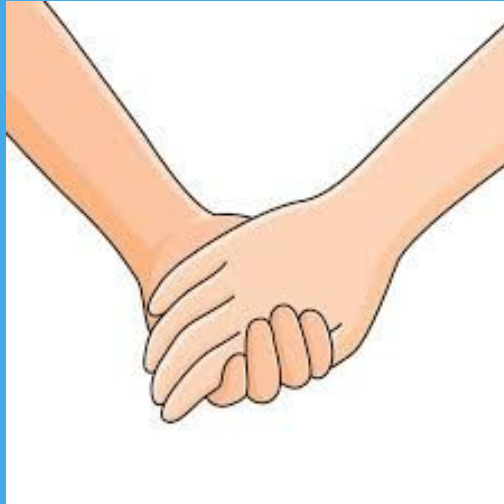

When I am at the pool, I will use my walking feet.

Walking Feet

I will stay with my buddy at all times to stay safe.

I will use my listening ears to hear what my buddy says. I will use my watching eyes to watch my buddy.

Listening Ears

Watching Eyes

I will sit by a kickboard and wait until my buddy says it is safe to enter the pool.

There will be other friends with me in the pool who I can say hi to.

I may get splashed with water. That is okay.
I can wear goggles or wipe my eyes when that happens.

I will not splash or kick others. They might not like it.

The pool may be noisy at times.
If it is too loud for me, I can tell my buddy.

My buddy can help me move to a quieter area or find me ear plugs.

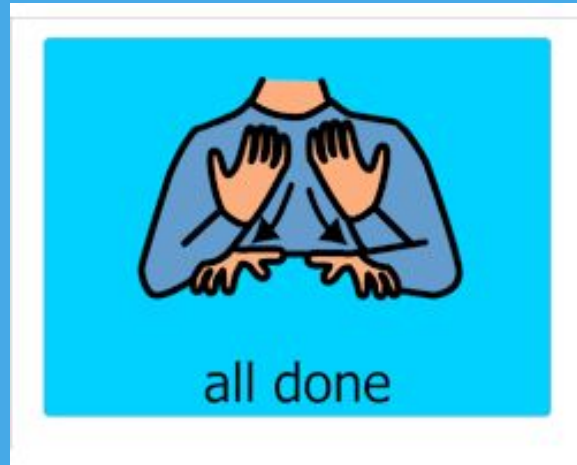

I can ask my buddy to take a break if I get tired when swimming.
We can take deep breaths together or play with a toy.

There are bathrooms in the pool area.
If I need to use the bathroom, I can ask my buddy to take me.

My buddy will tell me when swimming is over.
We will swim towards the stairs and exit the pool together.

When I listen and stay next to my buddy I feel safe!

Swimming with my buddy is fun!
