

How to Join 4-H

Most 4-H Clubs organize in February or March, signup deadline is April 1. Below are two different ways youth can join 4-H Clubs all over the county.

1. Call an advisor on the list provided and attend the first or second meeting of the club that you wish to join. The advisors can help you sign up and explain what you are expected to do.

OR.....

2. Call the Fulton County Extension Office at 419.337.9210 and we will help you decide which club would be best for you. You would attend the next club meeting and proceed with the sign up.

*****In all cases new members will be asked to enroll online at v2.4Honline.com and select projects.**

The process is very simple. However, should you have any questions, call the office at 419.337.9210
