Welcome to the 2025 Fulton County Junior Fair Livestock Sale!

We're so glad you're here to support the 4-H and FFA youth exhibitors. These exhibitors have spent many hours raising another offering of outstanding livestock.

CUSTOM PROCESSING: The Junior Fair Livestock Sale offers the opportunity to have large animals custom processed for the meat product (No custom processing for turkeys, broilers, goats and rabbits). If you, or the business you are buying for, would like your purchase to be custom processed, you will need to make arrangements **PRIOR** to fair, as we will need to pre-plan where animals are transported. During the sale, please yell "Custom Kill" to the auctioneer and complete the Custom Processing Form. All market hogs, lambs and steers reserved for custom processing will be hauled by commercial carrier for slaughter at the expense of the purchaser.

Only a buyer or seller can request custom processing of an animal, with the *seller/exhibitor having first rights to custom process*. The Livestock Sale Committee will collect the market price of animals that are custom processed for buyers. Sellers who custom process their animals will receive the donation only from Livestock Sale Committee. The seller will be responsible to collect the market price of their animal. Market prices for animals will be posted on the Sale Trailer.

PHOTOS: Immediately following the sale of each champion and reserve champion animal, buyers of those animals are asked to get their photos taken with the respective exhibitor and animal in the photo area on the south end of the Sale Arena.

GROUP/MULTI-BUYERS: The Livestock Sale Committee will allow buyers to collaborate to purchase animals, but groups will be limited to 5 bid numbers per animal and each bidder will be limited to 2 related businesses. If you plan to buy for more than one person or business, please get a separate number for each and use that number when you buy for them, so we can keep accurate records and minimize confusion. This will also allow each buyer to get proper credit for their support and generosity.

MEAL: Complimentary meal tickets are available upon check-in when picking up your bid card from the sale trailer. Tickets are valid at any of the commodity stands for a free sandwich (sausage, roast beef, hamburger or barbeque beef) and a beverage (milkshake or soft drink).

ADD-ON DONATIONS: The purpose of the Fulton County Junior Fair Livestock Sale is to enhance the educational experience of raising, marketing and selling a market animal project. The add-on premium is an additional opportunity for the community to recognize the youth exhibitors' efforts. If you are unable to attend, but still wish to support the sale, we are pleased to offer you two options to share your generous donation (minimum \$25):

1. Complete the "Add-On Form" that was enclosed in your mailed bidder packet or pick up a form at the Sale Trailer and drop off to the Sale Trailer during the sales.
2. **Scan the QR code below!**

Use your smartphone to visit the Fulton County Junior Fair online auction to support 4-H & FFA members and their projects through add-on donations. Add-ons will be accepted through September 12.

Please note that add-on donors will be recognized in the Junior Fair exhibitor sales report as well as in the newspaper thank you advertisement. We will not announce add-on buyers during the live auction.

PAYMENTS: Payments are preferred to be made on the day of the sale or the end of both sale days (Thursday). If you are not paying on the day of the sale, statements will be printed for you to mail in your payment.

- Payments are due **no later than Tuesday, September 30**.
