Swig Program in Jewish Studies  
and Social Justice

## End of Year Note – December 2022

As this year comes to a close, we want to express our deep gratitude to everyone who makes the Swig Program in Jewish Studies and Social Justice excel and thrive.

This year during **Hanukkah** — a Jewish holiday also known as the Festival of Lights — we are encouraged by the bright sparks emerging from our communities, even with the challenges found in times of darkness. We are grateful to be able to continue providing meaningful educational opportunities for our students, our campus, and beyond. We hope that the Swig JSSJ Program's educational opportunities bring a glow — if not a blaze — into your lives.

**This program can only thrive with support from our community.** By supporting our work, you are ensuring that new generations of Jews and non-Jews are being educated about the core role social justice plays for Jews, including the commitment to social justice for all people worldwide. You are also helping us educate students about the profound diversity of Jews and Jewish identities. With your support, we will continue working to fight bigotry and prejudice toward all people, regardless of social identities.

Thank you for considering making a year-end contribution to support our ongoing efforts. **Donate here** or by clicking the 'Give Now' button at the bottom of this email. We are eternally grateful for you and your support.

We are looking forward to learning with you in 2023!

In peace,

Aaron J. Hahn Tapper  
Director, Swig Program in JSSJ  
Mae and Benjamin Swig Chair in Jewish Studies

**Your generous support of the Swig Program in Jewish Studies and Social Justice will help us engage students in both theoretical and practical approaches of social justice and activism rooted in the Jewish traditions.**
