

Harald Uhlig

Bruce Allen and Barbara Ritzenthaler Professor of Economics

Curriculum Vitae

update: April 2025

Personal data:

Full name: Harald Friedrich Hans Volker Sigmar Uhlig

e-mail: huhlig@uchicago.edu

Home page: <http://economics.uchicago.edu/facstaff/uhlig.shtml>

Office address:

Kenneth C. Griffin Department of Economics
The University of Chicago
Saieh Hall of Economics #317
5757 South University Avenue
Chicago, IL 60637
USA

Phones:

Executive Assistant:

Sonia Doyle, sdoyle1@uchicago.edu

(+1) (773) 702-9013

(+1) (773) 702 8490 (fax)

(+1) (773) 834 3452 (fax, alternative)

Citizenship : German

Major fields of concentration:

Main: Macroeconomics

Topics of Interest:

Applied quantitative theory and applied dynamic, stochastic general equilibrium theory:

- Business Cycles
- Growth
- Dynamic Contracts
- Psychological Foundations of Dynamic Decision Theory
- Economic Policy

The Intersection of Macroeconomics and Financial Economics:

- Monetary Economics
- Asset Pricing
- Financial Crises

Methods:

- Vector Autoregressions
- (Bayesian) time series econometrics

- Numerical Methods

Education:

Ph.D. in economics, University of Minnesota, 1990
Diplom in mathematics, Technische Universität Berlin, 1985
Vordiplom in economics, Technische Universität Berlin, 1983
Vordiplom in mathematics, Technische Universität Berlin, 1982
Abitur (high school diploma), Walddoberschule Berlin, 1979

Positions held (main positions bold and underlined):

- **2024-09- 2025-02:** Hoover Visiting Fellow, Stanford University
- **2018-07-01:** named **Bruce Allen and Barbara Ritzenthaler Professor of Economics** at the University of Chicago
- **2013-2018 :** consultant at the European Central Bank
- **2007-2020 :** consultant at the Federal Reserve Bank of Chicago
- **2009-2012:** Chairperson of the Department of Economics at the University of Chicago
- **2007-....: Professor of Economics at the University of Chicago, Department of Economics**
- **2004-... :** „Forschungsprofessor“ (Guest Researcher) at the Bundesbank
- **2002 - 2004 :** „Forschungsprofessor“ (Guest Researcher) at DIW Berlin
- **2000 - 2007 : Professor of Economics at Humboldt University, Berlin.**
- **2000 - 2012 :** Part-time Professor (“10%”) at CentER for Economic Research, Tilburg University (the Netherlands).
- **1999 - 2000:** Visiting Professor at the Department of Economics, Stanford University (sabbatical from Tilburg University)
- **1994 - 2000: Research Professor for Macroeconomics, CentER for Economic Research, Tilburg University (the Netherlands).**
- **1993, 1994 :** Guest Lecturer ("Lehrstuhlvertretung"), University of Bonn, Germany.
- **1992 - 1993 :** Sabbatical from Princeton, visiting CES (Munich), Bonn and Chicago (Visiting Assistant Professor).
- **1990 - 1994 : Assistant Professor, Department of Economics, Princeton University.**
- **1986 - 1989 :** Research Assistant for Professor Christopher A. Sims at the Federal Reserve Bank of Minneapolis and at the Institute for Empirical Macroeconomics.
- **1987 :** Teaching Assistant, University of Minnesota. Full responsibility for Econ 3102, "intermediate macroeconomics," summer school.
- **1982 - 1985 :** Student Teaching Assistant ("Tutor") for mathematics at the Technical University of Berlin.

Honors, awards and fellowships:

- **2021-07-01:** Fellow of the Society for Economic Measurement (SEM)
- **2018-07-01:** Bruce Allen and Barbara Ritzenthaler Professor of Economics
- **2017:** Named Honorary Professor at Henan University, China
- **2013 (stays: February, August):** Duisenberg Fellow at the European Central Bank.
- **June 2012:** Nottingham University, Granger Lecture.
- **December 2005:** Frank P. Ramsey Prize for the best paper in "Macroeconomic Dynamics" during the second four years of publication, 2001-2004, for the article "The Sharpe Ratio and Preferences: A Parametric Approach," MD, vol. 6, no. 2 (April 2002), 202-241, with Martin Lettau.
- **December 2003:** Elected [Fellow of the Econometric Society](#)

- **October 2003:** [Gossen-Preis](#) of the Verein für Socialpolitik
- **May 1990 :** Participant of the [Review of Economic Studies European Meetings](#) of seven recent Ph.Ds in economics to present their paper in London, Barcelona and Tel Aviv.
- **1989 - 1990 :** Alfred P. Sloan Doctoral Dissertation Fellowship, [Alfred P. Sloan Foundation](#), New York.
- **1989 - 1990 :** Dissertation Support Award, National Bureau of Economic Research's Committee on Dissertation Support Awards, NBER, Cambridge, MA.
- **1986 - 1987 :** Graduate School Fellowship, Department of Economics, University of Minnesota.
- **1985 - 1986 :** [Fulbright Scholarship](#).
- **1981 - 1985 :** Stipendiat der [Studienstiftung des deutschen Volkes](#) (member of the German Scholarship Foundation).

Grants:

- **1998 - 2003:** NASEF (New Approaches to the Study of Business Fluctuations), a TMR network grant, joint with ECARE, Carlos III, Humboldt U., IMOP, Modena, EUI, UCL (London), CEPR.
- **2000 - ... :** A "Teilprojekt" in the "Sonderforschungsbereich 373" of the Department of Economics, Humboldt University Berlin
- **2001 - ... :** Involved in raising the funds for the Deutsche Bank Visiting Professorship for International Research in Economics at the Department of Economics, Humboldt University.
- **2002 – 2003:** Coordinator for the Guest Professorship for International Research in Economics at Humboldt University, financed by a grant of Deutsche Bank.
- **2002 - 2006:** MAPMU (Macroeconomic Policy Design for Monetary Unions), a RTN network grant, joint with CREI (Gali, Barcelona), CEPR (Mihov, London), EPRU (Jensen, Copenhagen), EUI (Perotti, Florence), LBS (Ravn, London), GIIS (Wyplosz, Geneva) and UvA (Beetsma, Amsterdam), see <http://www.cepr.org/research/networks/mapmu/>
- **2005-2007:** Sonderforschungsbereich ("collaborative research center", a block grant to a number of scientists working together) SFB 649 "Ökonomisches Risiko". <http://sfb649.wiwi.hu-berlin.de/>. Was elected "Sprecher" (coordinator) in 2005. Resigned in June 2007, due to job change to the University of Chicago.
- **2009-2011:** NSF grant SES-0922550 on "Aggregate risks and aggregate allocations".
- **2011-2014:** INET grant 2866, "Understanding Macroeconomic Fragility"
- **2012-2015:** NSF grant SES-1227280 on "Understanding Macro Risks".
- **2017:** MFM grant (co-PI, with Dirk Krueger, U Penn), "Neoclassical growth with one-sided commitment contracts"
- **2017:** BFI-MFRI data acquisition grant "Mortgage-Backed Securities and the Financial Crisis of 2008: a Post Mortem"
- **2018-2021:** NSF grant SES-1757084 (co-PI, with Dirk Krueger, U Penn) on "Neoclassical Growth with Long-Term One-Sided Commitment Contracts."
- **2020-2021;** Banque de France Grant, "Cryptocurrencies, Currency Competition and Monetary Policy," joint with Pierpaolo Benigno and Linda Schilling.

Memberships, Editorships, Offices Held:

- President of the International Atlantic Economic Society, 2022-23.
- Elected to the Council of the Senate of the University of Chicago, 2021-2024
- Member of the Academic Freedom Alliance, since 2021

- Member of the National Association of Scholars, since 2021
- Advisory Board of Journal of Risk and Financial Management since July 2020
- Member of the Council of the Econometric Society 2006-2008 and 2018-2020
- Elected voting member of the Regional Standing Committee of the Econometric Society (2015)
- Member of several nominating committees of the Econometric Society, e.g. 2019.
- Member of the ASSA Session Allocation and Participant Committee (2015–2020)
- Co-Editor of *Econometrica*, July 2006-June 2010
- Head Editor, *Journal of Political Economy* (2013–2021)
- Co-Editor, *Journal of Political Economy* (2012–2021)
- National Bureau of Economic Research (NBER) Research Associate (EFG) (2008–present)
- Center for Economic and Policy Research (CEPR) Research Fellow (Asset Pricing, Banking and Corporate Finance, Monetary Economics and Fluctuations)
- Research Policy Network (RPN) Member, Fintech and Digital Currencies, CEPR, since 2019.
- Member of the Advisory Board of the UBS International Center of Economics in Society at the University of Zurich (2015–present)
- Scientific Board Member, Mannheim Graduate School in Economics and Social Sciences (2008 –2015)
- Rotary “Berlin-Brandenburger Tor”, 2005-2008.
- Chair of the CEPR European Business Cycle Dating Committee, 2005-2012
- Member of the CEPR European Business Cycle Dating Committee, 2003-2012
- Regional Consultant (Austria, Germany) for the European Winter Meetings of the Econometric Society, 2003-2007
- Mitglied des makro-ökonomischen Ausschusses des Vereins für Socialpolitik, since 2003
- Mitglied des wissenschaftlichen Beirates des RWI (Essen), 2003
- Member of the scientific advisory board of CREI (Barcelona), since 2003
- Vertrauensdozent der Studienstiftung des deutschen Volkes, 2002-2007
- Mitglied des theoretischen Ausschusses des Vereins für Socialpolitik
- Mitglied des ökonometrischen Ausschusses des Vereins für Socialpolitik
- Associate editor for the *Journal of Economic Dynamics and Control*, 1995 - 1998
- Associate editor for the *Review of Economic Studies*, 1996-2006
- Associate editor for *Macroeconomic Dynamics* 1997 - 2002
- Co-Editor of the *European Economic Review*, 1997 - 2001.
- Associate editor of *Computational Economics* 1998 - ca. 2002
- Associate editor of *Econometric Theory* 2000
- Associate editor of the *Bepress Journal of Macroeconomics* 2000
- Associate editor of the *Journal of Financial Econometrics* 2001 - ca. 2004
- "Monitoring the European Central Bank" (MECB) group, a CEPR initiative, 1998-2007.
- CEPR Research Fellow (Financial Economics, International Macroeconomics).
- Econometric Society, American Economic Association, European Economic Association.

PhD students:

- Erik Canton (Tilburg, ca 1995)
- Francis Kumah (Tilburg, ca 1996)
- Jan Fidrmuc (Tilburg, ca 1997)

- Almuth Scholl (HU Berlin, 2005)
- Emanuel Mönch (HU Berlin, 2006)
- Matthias Trabandt (HU Berlin, 2007)
- Georg Man (HU Berlin, 2008)
- Christian Stoltenberg (HU Berlin, 2008)
- Alexander Kriwoluzky (HU Berlin, 2008)
- Martin Kliem (HU Berlin, 2008)
- Stefan Ried (HU Berlin, 2008)
- Pooyan Amir Ahmadi (HU Berlin, 2008)
- Alejo Costa (University of Chicago, 2010)
- Sergio Salas Landeau (University of Chicago, 2010)
- Gideon Magnus (University of Chicago, 2011)
- Hiroatsu Tanaka (University of Chicago, 2011)
- Francisco Roch (University of Chicago, 2012)
- Thorsten Drautzburg (University of Chicago, 2013)
- Lorenzo Ernesto Bernal Verdugo (University of Chicago, 2013)
- Aditya Bhawe (University of Chicago, 2014)
- Bong Geun Choi (University of Chicago 2016)
- Daniel Xie (University of Chicago 2017)
- Nicolas Castro Cienfuegos (University of Chicago 2019)
- Ilja Boelaars (University of Chicago 2020)
- Piotr Zoch (University of Chicago 2020)
- Luis Simon (University of Chicago 2020)
- Hongcen Wei (University of Chicago 2021)
- Mikayel Sukyasian (University of Chicago 2021)
- Kai-Wei Hsu (University of Chicago 2021)
- Jeremy Bejarano (University of Chicago 2021)
- Suleyman Gozen (University of Chicago 2022)
- Ricardo Qineche (University of Chicago 2022)
- Yusheng Fei (University of Chicago 2023)

Organizing committees:

- EEA 94 (European Economic Association): member of the programme committee.
- ESEM 94 (Econometric Society European Meeting): member of the programme committee.
- EEA 96: member of the programme committee.
- ESEM 96: member of the programme committee (both for theory and econometrics).
- NAKED day, November 1997.
- ES (Econometric Society) American Winter Meetings, New Orleans, 1997: member of the programme committee.
- ESEM 98: member of the programme committee
- ESEM 99: member of the programme committee
- Eight World Congress of the Econometric Society 2000: member of the programme committee
- Winter Meetings of the Econometric Society 2003-2005: member of the programme committee
- Co-organized the “Phillips Curve Revisited” Conference, together with Gustav Horn (DIW, Berlin) and Dennis Snower (IZA, Bonn), May 2003.

- Organized the Berlin leg of the Review of Economic Studies European Meetings May 2004.
- Co-organized the April 2005 Barcelona conference on "Macroeconomics and Reality: 25 years later", in honour of the work of Christopher A. Sims.
- Co-organized the Bundesbank spring conference / first SFB 649 conference on "Macroeconomic risk and policy responses", May 2005, in Berlin.
- Part of the scientific organization committee of the first Prague-Budapest Spring Workshop in Macroeconomic Theory, Prague, June 2005.
- Scientific organizer (together with Alan Mountfort) of the joint Bundesbank-Banque-de-France conference in Paris, June 2009.
- Winter Meetings of the Econometric Society 2010: member of the programme committee
- NBER Economic Fluctuations and Growth conference, San Francisco, February 5th: co-organizer (together with Andrew Atkeson).
- 2010 World Congress, Econometric Society, Shanghai: member of the programme committee.
- 2012 BFI-INET conference, "Macroeconomic Fragility", Chicago, May 2012
- 2013 BFI-INET conference, "Macroeconomic Fragility", Boston, October 2013
- 2014 BFI-INET conference, "Macroeconomic Fragility", Chicago, May 2014
- "Handbook of Macroeconomics: presentation of draft chapters", in Stanford and Chicago, both April 2015.
- "BFI-MFRE Conference on Cryptocurrencies and Blockchain," with Eric Budish, Zighuo He and Jacob Leshno, Chicago, November 2018.
- "BFI-MFRE Cryptocurrencies and Blockchains Conference," with Eric Budish, Zighuo He and Jacob Leshno, Chicago, November 2019.
- "2020 Annual Meeting of the Central Bank Research Association (CEBRA), Session Session 32: (Central Bank) Digital Currencies: Macroeconomic and Financial Markets Consequences," joint with Linda Schilling, September 2020.

Courses taught:

- **1990-1994:** Princeton University. Topics in Econometrics.
- **1994-2001:** Tilburg University. Transition Economics (twice). Asset Pricing (once, 2001)

- **1999-2000:** Sabbatical visit at Stanford University. Econ 101, Seminar on Financial Crises. Econ 103, Applied Macroeconomic Analysis.
- **2000-2007:** Humboldt-Universität zu Berlin. Konjunktur- und Wachstumspolitik. Finanzkrisen-Seminar. Geldtheorie und -politik. Asset Pricing. Numerical Methods. Introduction to Advanced Macroeconomic Analysis. Various graduate-level courses. Schumpeter Seminar.
- **2011 (IMF):** mini-course on fiscal policy in DSGE models.
- **2011 (U Kiel), 2012 (U Mannheim), 2012 (CB Budapest), 2012, 2013, 2014, 2015 (IMF), 2015 (CB Seoul), 2016 (CB Chile):** Mini-Courses on Financial Markets and the Macroeconomy.
- **2005 (Yale):** mini-course on Sign Restrictions and Bayesian VARs.
- **2006 (ZEI Summer School, U. Bonn):** mini-course on Identification with Sign Restrictions as well as Asset Prices and Macroeconomics.
- **2021 (CB Budapest):** mini-course on Digital Currencies.
- **2007-present:** University of Chicago (years indicate academic year fall to spring next year). **Undergraduates:** Econ 233, Introduction to Quantitative Macroeconomic Models (2007, 2008). Money and Banking (since 2009). Econ 23040, Cryptocurrencies (2018). **Masters:** Introduction to Advanced Macroeconomic Analysis (since 2021). **Graduate:** Econ 311, Quantitative Methods, with emphasis on Bayesian Econometrics and Time Series Analysis (2007-2019). Econ 380, Solving and Estimating Macroeconomic Models (2007, 2008). Econ 381, Applied Macroeconomics (2009, 2010). Econ 33603, Macroeconomics and Financial Frictions (2013-2020). 49700, Third Year Research Seminar (2016), Econ 35340, Digital Currencies (2021), Econ 33502, Monetary Economics (2022, 2023).

Dissertation:

"Costly Information Acquisition, Stock Prices and Neoclassical Growth,"; supervisor: C.A. Sims, University of Minnesota, Department of Economics, 1990.

A partial list of activities:

- **1989 :** Invited participant in the International Symposium on Evolutionary Dynamics and Nonlinear Economics, April 16-19, Austin, TX. Presented "Chaos and Linear Autoregressions."
- **1990 :** Invited participant of the Review of Economic Studies Tour of seven recent Ph.Ds in economics to present their paper in London, Barcelona and Tel Aviv, May.
- **1990 :** Invited participant in the Bonn Workshop in Mathematical Economics, July 1-14, Bonn.
- **1990 :** Annual Allied Social Science Association Meetings, Washington, D.C., December 28-30.
- **1991:** NBER Universities Research Conference on "The Macroeconomic Effects of Fiscal Policy," May 10-11.
- **1991 :** NBER Summer Institute, "Financial Markets and Monetary Economics," July 15-18.
- **1991:** Northwestern University Summer Workshop in Economics on "Economic Dynamics," July 23-27.
- **1991 :** Econometric Society European Meeting, Cambridge (U.K.), September 2-6. Presented "Can a Government Run a Deficit Forever?"
- **1992:** Annual Allied Social Science Association Meetings, New Orleans, January 3-4. Chaired a session on Bayesian Econometrics.

- **1992** : NBER Review Conference for NBER-NSF Dissertation Support. Presented thesis.
- **1992** : NBER Macroeconomics Annual Conference, March 6-7.
- **1992** : Yale-NSF Conference on Bayes Methods and Unit Roots, April 24-25. Presented "What Macroeconomists Should Know About Unit Roots as Well: The Bayesian Perspective."
- **1992** : Society for Economic Dynamics and Control Meetings, Montreal, June 10-12. Presented "Increasing the Capital Income Tax Leads to Faster Growth."
- **1992** : GMÖOR Meetings (Gesellschaft für Mathematik, Ökonomie und Operations Research), Hamburg, August 25-28. Presented "Increasing the Capital Income Tax Leads to Faster Growth" as invited speaker.
- **1992 - 1993** : Sabbatical from Princeton, visiting CES (Munich), Bonn and Chicago.
- **1994** : Northwestern University Summer Workshop, July 24-31.
- **1994** : Econometric Society European Meeting and European Economic Association Meeting in Maastricht (The Netherlands), August 29-September 5: member of both programme committees. Presented "Transition and Financial Collapse" as well as "Rules of Thumb and Dynamic Programming."
- **1995**: Gave NAKÉ course on business cycles.
- **1995** : CEPR meetings in Bonn, Jerusalem, Perugia (Italy) and Gerzensee (Switzerland). Presented "Transition and Financial Collapse," "Can Habit Formation be Reconciled with Business Cycle Facts," and "Rules of Thumb and Dynamic Programming."
- **1995** : SEDC meeting in Barcelona. Presented "Effort and the Cycle: Cyclical Implications of Efficiency Wages," chairing the session.
- **1995** : Visitor to the Institute for Empirical Macroeconomics at the Federal Reserve Bank of Minneapolis in June.
- **1995** : Invited speaker at the GMÖOR (Gesellschaft für Mathematik, Ökonomie und Operations Research) meetings in Passau, September 13-15. Presentation of "Effort and the Cycle: What is the Story?"
- **1996**: AEA meetings in San Francisco. Presented "Can Habit Formation be Reconciled with Business Cycle Facts?"
- **1996** : CEPR meeting in Gerzensee on Finance and Macroeconomics, January. Discussant.
- **1996**: Hydra meeting on Macroeconomics. Discussant.
- **1996**: Visitor to Koc University, Turkey. May.
- **1996**: NBER meeting on Public Finance in Amsterdam, June. Discussant.
- **1996**: Conference on macroeconomics in Groningen, June. Presented: "Capital Income Taxation and the Sustainability of Permanent Primary Deficits."
- **1996**: Aarhus meeting, June. Presented: "The Welfare Effects of a Wasted Capital Income Tax Increase in the Presence of Uninsurable Idiosyncratic Risk".
- **1996**: CEPR Economic Theory Summer Workshop, Gerzensee, July. Presented "Long Term Debt and the Political Support for a Monetary Union."
- **1996**: Northwestern University Summer Workshop, July 22nd - 28th.
- **1996**: ESEM 96 in Istanbul, August. Presented: "Effort and the Cycle: Cyclical Implications of Efficiency Wages." Discussant for Danny Quah.
- **1996**: Lecturer in the EEA Summer School on Computational Economics in Florence, September.
- **1996**: Conference of the "Verein für Socialpolitik," Kassel, September. Presented "The Welfare Effects of a Wasted Capital Income Tax Increase in the Presence of Uninsurable Idiosyncratic Risk". Discussant.

- **1996:** Conference on Financial Markets in London, November. Presented "The Welfare Effects of a Wasted Capital Income Tax Increase in the Presence of Uninsurable Idiosyncratic Risk". Discussant.
- **1996:** CEPR meeting, Barcelona, November. Presented: "Long Term Debt and the Political Support for a Monetary Union."
- **1996:** CEPR meeting, Florence, December. Presented: "Long Term Debt and the Political Support for a Monetary Union."
- **1997:** CEPR meeting Perugia. Discussant.
- **1997:** Gave NAKÉ course on business cycles.
- **1997:** NBER "Money" meeting, April, Boston. Presented: "Long Term Debt and the Political Support for a Monetary Union."
- **1997:** Visitor to the Stockholm Institute of International Economics, April.
- **1997:** Geneva-Venice Theory workshop, June, Venice. Presented: "Rules of Thumb versus Dynamic Programming".
- **1997:** CEPR meeting Santiago, June. Co-Author Martin Lettau presented paper "Volatility Bounds and Preferences: An Analytical Approach" (new title).
- **1997:** NBER summer workshop, July, Boston. Presented: "What are the effects of monetary policy? Results from an agnostic identification procedure."
- **1997:** Visiting professor at the University of Rochester, October 1997. Taught six lectures of three hours in the graduate first-year course in macroeconomics.
- **1997:** Carnegie-Rochester Conference on Public Policy, November (Pittsburgh). Discussant of Faust.
- **1998:** Visit to UCLA, January. Gave four lectures in a graduate course on "Monetary Policy: A VAR approach."
- **1998:** CEPR meeting Madrid, January. Presented: "What are the effects of monetary policy? Results from an agnostic identification procedure."
- **1998:** CEPR meeting York, March. Presented: "An Analysis of the Stability Pact."
- **1998:** Verein für Socialpolitik, ökonomischer Ausschuss, March. Presented "What are the effects of monetary policy? Results from an agnostic identification procedure."
- **1998:** CEPR meeting, London, May. Discussant.
- **1998:** ISOM meeting, Portugal, June. Presented: "Fickle International Investors: An Impediment to Growth?" (with Andrew Scott, LBS).
- **1998:** Evaluator of three departments for the Zentrale Evaluationsagentur Niedersachsen.
- **1998:** CEPR-Gerzensee summer workshop in finance, July. Presented: "Fickle International Investors: An Impediment to Growth?" (with Andrew Scott, LBS).
- **1998:** EEA Summer School on Business Cycles, Paris, September: gave lecture on "Modelling Business Cycles".
- **1999:** Bundesbank Conference, March. Discussant of McCallum.
- **1999:** Visitor to the Stockholm Institute of International Economics, April.
- **1999:** Organizer of a CEPR-TMR conference on "New Approaches to the Study of Economic Fluctuations" on Hydra, Greece.
- **1999:** Verein für Socialpolitik, theoretischer Ausschuss, April. Presented "Rules of Thumb versus Dynamic Programming" (with Martin Lettau, Federal Reserve Bank of New York).
- **1999:** ISOM 1999, June. Discussant of Orphanides-Wieland.
- **August 1999 - June 2000:** Sabbatical, visiting the economics department at Stanford University and teaching Econ 103, Econ 101.
- **1999:** WIDER conference on EMU: The Impact on Europe and the Developing Countries, November. Presented "The Role of National Central Banks and of Different Policy Cultures".

- **1999:** Conference on Fiscal and Monetary Policy, UCLA, December. Discussant of Chari.
- **1999:** "Trio" Conference in Japan. Presented "Should we be Afraid of Friedman's rule?"
- **2000:** Conference at the Bank of Portugal. Presented "What are the effects of monetary policy? Results from an agnostic identification procedure."
- **2000:** SED conference in Costa Rica. Presented "Should we be Afraid of Friedman's rule?"
- **2000:** Conference on "Monetary Policy under Incomplete Information", Gerzensee, Switzerland. Discussant of Bernanke-Boivin.
- **2001:** 9th Annual Texas Monetary Conference, Rice University, Houston, Texas. Presented, "Should we be Afraid of Friedman's rule?"
- **2001:** CEPR Conference on the Implementation of Monetary Policy Rules at INSEAD, Fontainebleu. Presented, "Should we be Afraid of Friedman's rule?"
- **2001:** CEPR Conference for New Approaches for the Study of Economic Fluctuations, Hydra. Co-author Andy Mountford presented "What are the effects of fiscal policy shocks?"
- **2001:** Invited Lecture at the Alicante Meeting, presenting a lecture on my current research on identifying monetary and fiscal policy shocks.
- **2002:** Invited Paper, "One Money, Many Countries: What are the Consequences?", presented at a conference of the European Commission in Brussels.
- **2002:** CEPR Conference for New Approaches for the Study of Economic Fluctuations, Hydra. Presented: "Did the Fed Surprise the Market in 2001? A Case Study for VARs with Sign Restrictions"
- **2002:** CEPR Conference on Fiscal Policy. Discussant for Roger Farmer.
- **2002:** CEPR ESSIM meeting. Presented: "What moves GNP?"
- **2002:** Madeira conference of the Bank of Portugal. Discussant for Jose Scheinkman.
- **2002:** NBER Economic Fluctuation Summer Meeting. Discussant for Valerie Ramey.
- **2002:** ESSET Gerzensee Meeting. Organized a focus session on recursive contracts. Presented "Competitive Risk-Sharing Contracts with One-Sided Commitments", co-author is Dirk Krüger (Stanford University)
- **2002:** Invited Participant to the Wirtschaftswissenschaftliche Seminar Ottobeuren. Presented: "How well do we understand business cycles and growth? Examining the data with a real business cycle model."
- **2002:** Berlin Marathon in 3:44:06.
- **2002:** Verein für Socialpolitik, Innsbruck. Presented: "What moves GNP?"
- **2003:** Konferenz at the Atlanta Federal Reserve Bank, Discussant for Frank Schorfheide.
- **2003:** Bundesbank Konferenz in Eltville. Discussant for Schmitt-Grohe and Uribe.
- **2003:** SED Konferenz Paris. Presented „What moves GNP“?
- **2003:** Participant in an invited EEA session. Presented "Do Technology Shocks lead to a Fall in Total Hours Worked?"
- **2003:** Konferenz at the St. Louis Federal Reserve Bank. Discussant for Levin, Natalucci and Piger.
- **2003:** ECB conference. Presented "What moves GNP?"
- **2003:** Berlin Marathon in 3:25:06.
- **2004:** Ökonometrischer Ausschuß. Presented "What moves GNP?"
- **2004:** NBER Macroeconomics Annual, Boston. Discussant for Giannone-Reichlin-Sala paper.
- **2004:** Portugal Conference, Discussant for Cogley-Sargent

- **2004:** Invited ESEM lecture, "Macroeconomics and Asset Markets: Some Mutual Implications."
- **2004:** Berlin Marathon in 3:20:58.
- **2004:** CEPR "Bubbles" Conference in Barcelona. Discussant for Caballero-Hammour, Jermann-Quadrini and Pastor-Veronesi
- **2005:** Participant in ESRC grant evaluation exercise
- **2005:** Visits to the Hebrew University Jerusalem, Yale, the International Institute for Economics in Stockholm, NYU, MIT. Taught three lectures on VARs with sign restrictions at Yale.
- **2005:** Discussant of Ravn - Schmitt-Grohé - Uribe, "Deep Habits" at the Northwestern University and EUI conference on "Inflation, Interest Rates and Relative Prices" at EUI, June 2005.
- **2005:** Prague. Participant of the first Prague-Budapest. Spring Workshop in Macroeconomic Theory as a member of the scientific committee.
- **2005:** Berlin Marathon in 3:21:20.
- **2005:** "Policy Relevant Modeling for Central Banks", Zürich, 4th Conference of the Bank of Canada, Federal Reserve Bank of Cleveland and the SNB Zürich. Presented "Bank finance versus bond finance: what explains the differences between US and Europe," with Fiorella de Fiore.
- **2005:** Visit of NYU and MIT.
- **2006:** Visit of Stanford and the University of Chicago. ISOM, Estonia, June, presented "Pension Systems and the Allocation of Macroeconomic Risk", with Lans Bovenberg. ZEI Summer School 2006, June, on Monetary Theory and Policy, four lectures. EC Euro-area Economy Modelling Centre, conference on "Fiscal Stabilisation Policies in a Monetary Union: What can we learn from DSGE models?", October, presented "How far are we from the slippery slope? The Laffer curve revisited" (with M. Trabandt). Bundesbank, 2nd Kleistvilla workshop June, presented "Macroeconomics and asset markets: some mutual implications". 4th ECB Central Banking Conference, November, discussant of Michael Woodford and Lawrence Christiano.
- **2007:** American Economic Association Winter meetings, Econometric Society Winter Meetings January, Chicago. Presented "Is Quantity Theory Still Alive" (with Pedro Teles), "Explaining Asset Prices with Habit Persistence and Wage Rigidities in a DSGE Model", "Bank finance vs bond finance: implications for monetary policy" (with Fiorella de Fiore). "Wirtschaftspolitik für die rheinland-pfälzischen Regionen", Mainz workshop January 2007, presented "Regionale Arbeitsmärkte, Netzwerkexternalitäten und Migration: Der Fall Ostdeutschland". SED meetings in Prague, June, presented "Explaining Asset Prices with External Habits and Wage Rigidities in a DSGE Model", and "Measuring the Dynamic Effects of Monetary Policy Shocks: A Bayesian FAVAR Approach with Sign Restrictions" was presented by co-author Ahmadi. NBER "International Dimensions of Monetary Policy", near Barcelona, June, presented "Monetary policy in Europe vs the US: what explains the difference?". Bank of England, "Great Stability Conference", September, discussant of "How Structural are Structural Parameters" by Rubio-Ramirez and Fernandez-Villaverde. Nemmers Prize Conference for Lars Hansen, discussant of "Evolution and Intelligent Design", Sargent.
- **2008:** NBER Macro Annual 2008, April, discussant of Boivin- Giannoni- Mojon, "How has the Euro Changed the Monetary Transmission". ECB, "International Research Forum on Monetary Policy", June, discussant of Arseneau-Chugh, "Frictional Labor Markets, Bargaining Wedges and Optimal Tax Rate Volatility", 5th Banco de Portugal Conference on Monetary Economics in June and Sixth Hydra Workshop on Dynamic Macroeconomics in October: presented "How far are we from

the slippery slope? The Laffer curve revisited" (with M. Trabandt). "The ECB and its Watchers", Frankfurt September and Global Insight, World Economic Outlook Conference, October Chicago, presented "The subprime innovation and the moral hazard crisis".

- **2009:** EFG meeting San Francisco February, Discussant of Leeper-Walker-Yang, "Fiscal Foresight: Analytics and Econometrics". March: announcement of the beginning of a recession (as of Q1 2008/January 2008) in Europe as chair of the CEPR European business cycle dating committee. Selected participant for the Carnegie-Rochester conference April 2009. Presented "A model of a systemic bank run". Invited key note speaker for the ARGE meeting in Berlin, April, speaking about "The slow decline of East Germany" (translation). Invited key note speaker at the Midwest Macroeconomic Meeting in Indiana, May: I spoke about "Some fiscal multiplier calculus". Participant at the Princeton Conference on "Monetary-Fiscal Policy Interactions, ...", May. I presented my paper "Some fiscal multiplier calculus". Scientific organizer (together with Alan Mountfort) of the joint Bundesbank-Banque-de-France conference in Paris, June 2009. I presented "A model of a systemic bank run". Keynote speaker at the Mannheim Konferenz "Heterogeneous-Agent Models in Macroeconomics": I presented "Some fiscal multiplier calculus". Mykonos Conference: I presented "Some fiscal multiplier calculus". IMF, Tenth Annual Jacques Polak Research Conference on "Financial Frictions and Macroeconomic Adjustment". Presented "A model of a systemic bank run". Visit to the IMF, I presented "Some fiscal multiplier calculus".
- **2010:** AEA/Econometric Society Winter Meetings: I presented "Some fiscal multiplier calculus", "EZ Easy in DSGE" and "Fiscal Stimulus and Distortionary Taxation" (with Thorsten Drautzburg). Atlanta Federal Reserve Bank CQER Conference "New Approaches to Fiscal Policy". I presented "Fiscal Stimulus and Distortionary Taxation" (with Thorsten Drautzburg). 2010-02-25: Seminar at the European Central Bank. I presented "How far are we from the slippery slope?". Seminar at the University of Chicago. I presented "Fiscal Stimulus and Distortionary Taxation". Seminar at NYU. I presented "Fiscal Stimulus and Distortionary Taxation". Seminar at Indiana University. I presented "Fiscal Stimulus and Distortionary Taxation". Seminar at Northwestern University (Kellogg). I presented "Fiscal Stimulus and Distortionary Taxation". Conference at the Bank of Korea. I presented "Crises in Repo Markets with Adverse Selection". SED meetings in Montreal. I presented 'Easy EZ for DSGE'. NBER SI in Boston. I presented 'Fiscal Stimulus and Distortionary Taxation'. Econometric World Congress in Shanghai. I presented 'Fiscal Stimulus and Distortionary Taxation'. I also discussed invited papers by Fernandez-Villaverde-Rubio-Ramirez as well as Schorfheide. Richmond Federal Reserve Bank. I presented 'Fiscal Stimulus and Distortionary Taxation'. Stanford University. I presented 'How Far are we from the Slippery Slope? The Laffer Curve Revisited'. ``Hydra Conference" on Cyprus. I presented "Crises in Repo Markets with Adverse Selection". London, MONFISPOL conference. I presented 'Fiscal Stimulus and Distortionary Taxation'. ECB Conference, Frankfurt. I presented 'Fiscal Stimulus and Distortionary Taxation' and participated in a panel discussion. UCL London. I presented 'Measuring the effects of monetary shocks: A Bayesian FAVAR approach with sign restrictions.' Brussels, CEPR conf on Lessons from the Financial Crisis. I presented 'Crises in Repo Markets with Adverse Selection'
- **2011:** ASSA meetings in Denver. I presented 'Crises in Repo Markets with Adverse Selection'. Cairo University. I presented 'Fiscal Stimulus and Distortionary Taxation'. Washington IMF. Taught a mini-course on 'Fiscal Policy in DSGE models'. Miami Liberty Fund Conference. Hamburg, Bundesbank Conference. I presented 'The

dynamics of sovereign debt crises in a monetary union'. Seoul, South Korea, Conference in honor of Chris Sims. I presented 'Fiscal Stimulus and Distortionary Taxation' and 'Bayesian Estimation of a DSGE model with asset prices' and participated in a panel discussion. Stockholm Riksbank Conf.: I presented 'The dynamics of sovereign debt crises in a monetary union'. Luzern BIS conf, discussant of Perotti. San Francisco SCE conf., plenary speaker. I presented 'Fiscal Stimulus and Distortionary Taxation'. SED conf, Gent. I presented 'Crises in Repo Markets with Adverse Selection'. Cologne Macro conf. I presented 'Crises in Repo Markets with Adverse Selection'. NBER SI, Boston. I presented 'How Do Laffer Curves Differ Across Countries?'. Kiel Institute for World Economics: mini course on "Macroeconomics and Financial Markets". Bank of Canada Conference, Keynote Speaker. I presented 'The dynamics of sovereign debt crises in a monetary union'. Sardegna ("Hydra") conference. I presented 'The dynamics of sovereign debt crises and bailouts.' St. Louis Federal Reserve Bank conference. I presented and 'Bayesian Estimation of a DSGE model with asset prices'. Boston, NBER ME. Discussant of Leeper-Traum-Walker. Madison (WI) conf on Money, Banking and Asset Pricing. I presented 'Crises in Repo Markets with Adverse Selection'. Rome, Italian Central Bank, CEPR Regulation and Macro Modelling conf. I presented 'Crises in Repo Markets with Adverse Selection'. Barcelona CREI-CEPR conf on Asset Prices and Business Cycles. I presented 'The dynamics of sovereign debt crises and bailouts.'

- **2012:** Chicago AEA conf: I presented 'Crises in Repo Markets with Adverse Selection'. Brussels conf., European Commission. I presented 'The dynamics of sovereign debt crises and bailouts,' discussed a paper by C.A.Sims and participated in a panel discussion. IMF mini course on "Macroeconomics and Financial Markets". Brussel EC Conference: I presented 'The dynamics of sovereign debt crises and bailouts'. Frankfurt ECB-IRFMP conference. I presented 'The dynamics of sovereign debt crises and bailouts,' and participated in a panel discussion. Santa Barbara LAEF conference. I presented 'The dynamics of sovereign debt crises and bailouts'. Philadelphia Federal Reserve Bank conf. I presented 'The dynamics of sovereign debt crises and bailouts.' Mini course in Bergen on "Macroeconomics and Financial Markets". Discussion on Fiscal Policy at Morning Star. Nottingham University: Granger Lecture, presenting a survey of some of my time series work. Keynote presentation at the Hangzhou (China) 2012 AFR Summer Institute of Economics and Finance. Mini course at Mannheim University on "Macroeconomics and Financial Markets". SED Cyprus conference, presented "Corporate Debt Structure and the Financial Crisis". ECB Workshop on non-standard monetary policy measures. Keynote speech on 'The dynamics of sovereign debt crises and bailouts.' Mini course at the Hungarian Central Bank on "Macroeconomics and Financial Markets". Hydra-Corsica conference, presented "Financial Health Economics". Wharton Conference, I presented 'The dynamics of sovereign debt crises and bailouts.' Princeton Conference in honor of Chris Sims, presenting a survey of some of my time series work. EUI Workshop on Fiscal Policy, I presented 'The dynamics of sovereign debt crises and bailouts.' Participant in a Fiscal Policy Panel at the San Francisco Federal Reserve Bank.
