Work/life balance and human emotions

Bozhi Tian

"Earn with your mind, not your time." — Naval Ravikant

$$0 \times 10 = 0$$

$$0 + 1 = 1$$

“The first rule of compounding is to never interrupt it unnecessarily.”

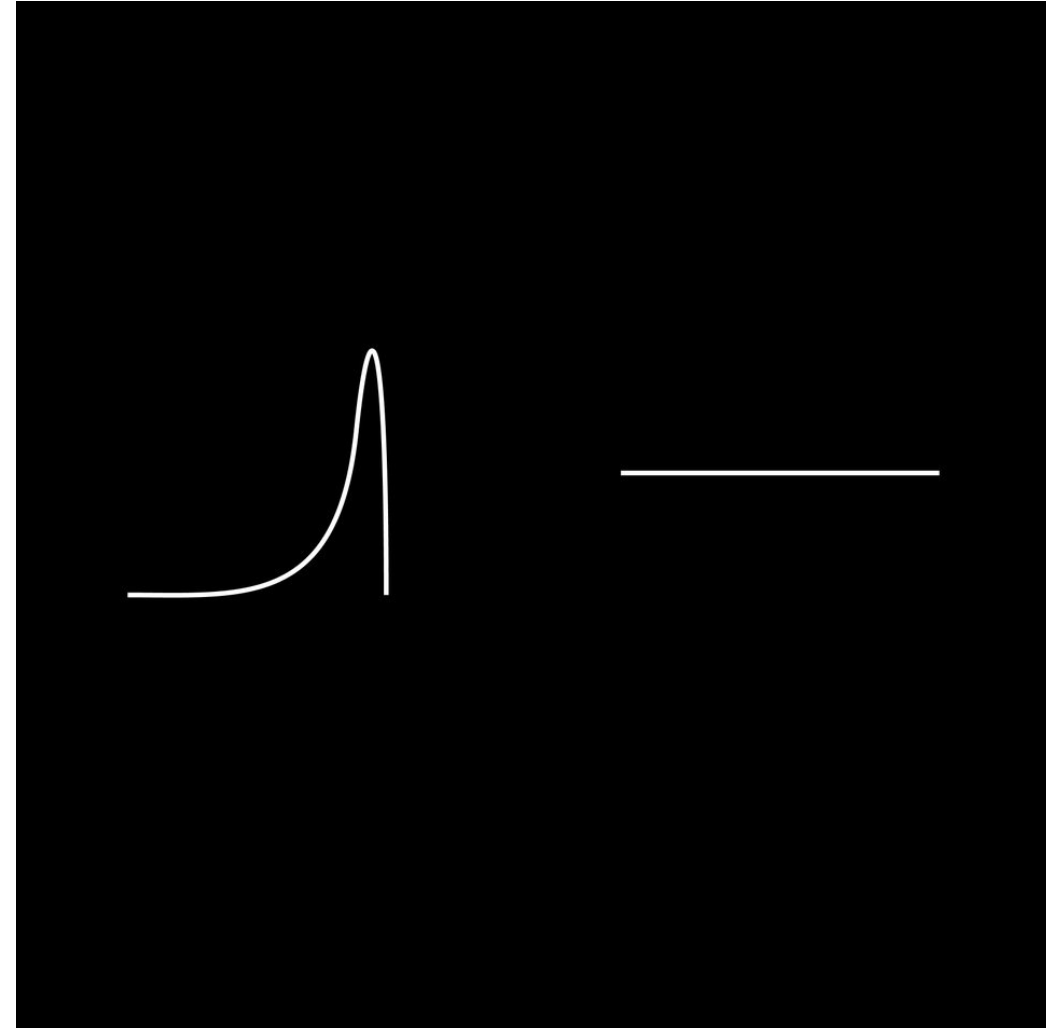

— Charlie Munger

“Fashions fade, style is eternal.”

– Yves Saint Laurent

Can we use the bodily emotion map to enhance the work/life balance?
