

MINOR MAP HEALTH AND SOCIETY

The HLTH minor requires 5 courses

Complete the information below and email the form to hlth@uchicago.edu to have your minor courses approved.

Once approved, you will receive, via email, a signed form for your records. The Health and Society Administrator will send a copy of the signed form to your adviser.

- Courses can be changed as needed until your final quarter/graduation quarter
- Courses may not be double counted with majors, other minors, or general education requirements
- Courses must be taken for quality grades
- You may [petition](#) to count **one** elective course not on our approved list toward the minor (reviewed on a case-by-case basis)
- You may only use one methodology course to count toward your minor requirements. Methodology courses are noted on the [approved course list](#).
