Now, I am going to ask you some questions about your relationship with [NAME]. Some of these questions will deal with sexual practices in your relationship. Please be confident that anything you say will be kept highly confidential. Before we start, I would like to explain how to answer these questions. I will read a statement and you can respond with four choices: strongly agree, agree, disagree, or strongly disagree. For example, if the statement was "Nsima is a delicious food" and you really like nsima, you would respond "Strongly Agree". If you like nsima but prefer rice more, you would respond with just "Agree". However, if you do not enjoy the taste of nsima and refuse to eat it, you would respond with "Strongly Disagree". Maybe you do not like nsima but will eat it if there are no other options. In this case, you would respond with just "Disagree".

Now I am going to present a few scenarios and want to ask you what you would do if you were ever in these situations. These scenarios may have never happened and may never happen in the future. For example, if we ask you what you would do if your partner was having sex with someone else, this does not mean that your partner is currently having an affair or will ever have an affair in the future. We would like you think about how you would react if this ever happened.
