<b>Total Oncologic Area</b>	0	0	279	13	292	170
<b>Multidisciplinary Cases</b>						
Breast (multi)	0	0	27	0	27	25
Hepatobiliary/pancreatic (multi)	0	0	34	4	38	25
Non HPB GI (multi)	0	0	30	1	31	25
Endocrine (multi)	0	0	20	0	20	15
Melanoma/soft tissue sarcoma (multi)	0	0	29	2	31	30
<b>Total Multidisciplinary Cases</b>	0	0	140	7	147	120

Minimums are based on the total number of procedures in the roles of Surgeon and Teaching Assistant, except for multidisciplinary cases in which all roles are counted.

Data reflect procedural categories and minimums in effect at the time the report was generated, not necessarily what was in effect during the time of training. Minimums may have changed over time as well as the underlying procedures comprising the categories.
