

MELISSA RODERICK

Curriculum Vitae

OFFICE: The School of Social Service Administration
The University of Chicago
969 East 60th St.
Chicago, IL 60637
(773) 702-1171, m-roderick@uchicago.edu

HOME: 1221 W. Fletcher St. #2
Chicago, IL 60657
(773) 549-6672

EDUCATION

Ph.D. Committee on Public Policy, Graduate School of Arts and Sciences, Harvard University, 1991

M.P.P. John F. Kennedy School of Government, Harvard University, Cambridge, MA; Concentration in Social Policy, 1986

A.B. Bowdoin College, Brunswick, ME: High Honors, Economics, Magna Cum Laude, Phi Beta Kappa, 1983.

CURRENT ACADEMIC APPOINTMENTS AND ACTIVITIES

Professor Herman Dunlop Smith Professor of Social Service Administration
The School of Social Service Administration, The University of Chicago.

Co-director The Network for College Success: A partnership to support whole school improvement in Chicago Public High Schools

Member Committee on Education, The University of Chicago

Director **Director of postsecondary studies**
The Consortium on Chicago School Research, The University of Chicago

Chair Performance Assessment Review Board, The New England Network for Personalization and Performance Assessment, Center for Secondary School Redesign, Providence, RI

Member Education Studies Committee, MDRC, New York, NYMember

Member U.S. Department of Education, National Assessment of Educational Progress, High School Transcript Study Technical Panel, Washington D.C.

AWARDS

American Educational Research Association, *Division H Outstanding Publication Award: Planning, Policy or Management Research*. Publication: *From High School to the Future: Potholes on the Road to College*.

American Educational Research Association, *AERA Award for Outstanding Professional Service to AERA journals*, April 2006

American Educational Research Association, *AERA Award for Outstanding Professional Service to AERA journals* April 2005

Recognized as one of "Chicago's 100 most powerful women" *Chicago Sun Times*. April 20, 2004.

Recognized as one of '10 Who Set the Course for Chicago Schools.' *Catalyst: Voices of Chicago School Reform Magazine* Catalyst 10th Year Anniversary Issue. Vol. XI, 5, February 2000.

The School of Social Service Administration, *Award for Excellence in Teaching*. Recipient of First Award, 1994-1995.

PREVIOUS ACADEMIC APPOINTMENTS AND WORK EXPERIENCE

Advisor Chief Executive Office
Chicago Public Schools, Chicago, IL 2003-2004

Director Department of Planning and Development, Chief Executive Office
Chicago Public Schools, Chicago, IL 2001-2003

Established a new planning and development departmentt within the Chief Executive Office of the Chicago Public Schools. Responsible for overseeing the development of an educational plan for new leadership. Assisted the Chief Executive Office in developing planning initiatives around Human Capital, Accountability, high schools, post-secondary, alternative learning communities, the status of youth involved in the child welfare system, health, and after-school. Provided ongoing technical assistance, analytic, and planning support to the Chief Executive Officer, the Chief Instructional Officer and Area Instructional Officers in implementing the educational plan.

Associate Professor The School of Social Service Administration 1998-2004
Assistant Professor The School of Social Service Administration 1991-1998

Instructor John F. Kennedy School of Government
Harvard University, Cambridge, MA 1990-1991

Site Coordinator Boston Summer Training and Education Project
Public/Private Ventures, Philadelphia, PA. 1988

Assistant Site Boston Summer Training and Education Project

Coordinator Public/Private Ventures, Philadelphia, PA. 1985-1987

RESEARCH PROJECTS AND GRANTS

In progress

Improving Postsecondary Preparation in Urban Public High Schools: An Evaluation of AVID in Chicago (*Principal investigator: Melissa Roderick*)

Funded by the Department of Education, Institute of Education Sciences (R305A080096A) (\$986,000 over three years: 3/1/2008-2/28/2011). A multi-year evaluation of the impact of the Achievement Via Individual Determination (AVID) program on the high school performance and college enrollment and success of successive cohorts of Chicago Public School freshman.

The Chicago Post-Secondary Transition Project. (*Principal Investigator: Melissa Roderick, the School of Social Service Administration and the Consortium on Chicago School Research, the University of Chicago*)

Developing new indicator systems and frameworks for high school and college readiness.
Funded by the William and Melinda Gates Foundation \$1.2 million over two years, 1/2011 (Co-investigators Elaine Allensworth and Paul Goren)

Does College Match Matter? The Study of the Effects of College Match for Graduates of the Chicago Public Schools”

Funded by the Spencer Foundation, \$448,558 over three years, 1/2011.

The Network for College Success: An R&D Network to Support High Quality Leadership In Chicago Public High Schools (Principal investigator: Melissa Roderick, NCS Network Project Director Mary Ann Pitcher, Community School Director, Sarah Duncan)

Current funding from the the McDougal Family Foundation (\$90,000) the Polk Brothers Foundation (\$45,000), the Chicago Community Trust (\$150,000), the JP Morgan Chase Foundation (\$100,000), an anonymous donor (\$100,000) and through a contract with the Chicago Public Schools, Area 21 (\$400,000). The Network for College Success is a professional development network designed to support new leaders in mid to high performing Chicago high schools in developing school improvement efforts with a focus on ensuring high levels of collegiate access and preparation for all of their students. The Network is a partnership with CPS Area 12 and its 12 high schools which brings research-based, integrated and intensive support for school improvement through intensive support for principals, instructional leadership teams, college counselors, and freshman and sophomore success teams.

Prior major grants

The Chicago Post-Secondary Transition Project. (*Principal Investigator: Melissa Roderick, the School of Social Service Administration and the Consortium on Chicago School Research, the University of Chicago*) Funded in 2008- 2010 by through a \$3 million operating grant to CCSR from the Bill and

Melinda Gates Foundation. Previous funding for the project from the Carnegie Corporation through a one year planning grant (\$50,000) and the Bill and Melinda Gates Foundation (\$1.233,281 for three years: 3/1/2004-2/28/07

Bringing research to scale: Pilot institutes to support school districts in building indicator systems of freshman year performance and the postsecondary transition (Consortium on Chicago School Research)

Funded by the William and Melinda Gates Foundation January 2008. (\$450,223). Pilot institutes offer the opportunity for large and medium-sized schools districts across the country to work with Consortium researchers on developing new indicator development and data systems around: (1) freshman year performance and progress toward graduation, and (2) developing and using an effective postsecondary student tracking and reporting system.

The Chicago Postsecondary Transition Project: A longitudinal study of 100 Chicago juniors. (Principal investigator: Melissa Roderick)

Funded by the Spencer Foundation (\$408,175 over three years: 12/1/2004-11/30/2007) and the William T. Grant Foundation (\$317,394 over 3 years: 2/1/2005-1/31/2008). The qualitative component of a longitudinal study of the post-secondary experiences of students from the Chicago Public Schools (CPS). The qualitative study followed 105 CPS juniors from three high schools from the 11th grade to two years after graduation and examining differences in the educational demands of their classroom environments through a linked study of high school and college classrooms.

The Educational Experience of Children in out-of-home care (Principal investigators: Mark Courtney, Melissa Roderick)

A project of the Chapin Hall Center for Children and the Illinois Department of Child and Family Services to examine the educational status of children in out of home care in Illinois and identify effective approaches to improve the educational well-being of children in child welfare in Illinois. Serve as consultant and advisor on research design and data analysis.

The Student Development Planning Initiative (Principal Investigators: Melissa Roderick, Mark Courtney and Edward Lawlor). 2002-2003 and 2003-2004.

A joint planning effort between the Chicago Public Schools Planning and Development Unit, the Chapin Hall Center for Children and the School of Social Service Administration to run six planning groups around after school and community linkages, students involved in the child welfare system, post-secondary outcomes and pathways, student development supports in high schools, health, and alternative learning communities and dropouts. Funded in 2002-3004 by the Charles Stuart Mott Foundation (\$100,000), the Chicago Community Trust (\$25,000), the Field Foundation (\$15,000) and the Chicago Public Schools through a grant by the MacArthur Foundation in support of the Planning and Development unit.

Continued work in 2003-2004 funded by the Charles Stuart Mott foundation (\$100,000) focused on dropout recovery, the development of Chicago's post-secondary initiative and collaboration between

Chicago Public Schools and the Illinois Department of Children and Family Services around students involved in the child welfare system.

The Effects of the Chicago Public Schools' Promotion Policy and Summer Bridge Initiative on Student Achievement and Opportunity to Learn. (Principal Investigators: Melissa Roderick, John Easton, and Anthony Bryk) 1998 to 2004.

A multi-year evaluation of Chicago's effort to end social promotion which includes quantitative analysis of student achievement and performance, survey analysis, and a qualitative longitudinal study of 100 students in five schools. Funded by the Office of Educational Research and Improvement, U.S. Department of Education, Field Initiated Studies Program (\$898,000 over three years), the Joyce Foundation (\$150,000 over 18 months), and the Spencer Foundation (\$350,000 over three years).

The Student Life in High Schools Project (Principal investigator: Melissa Roderick) 1994-1999.

A longitudinal study of the transition to high school of Chicago Public School students in three high schools and a quantitative study of pattern school performance over the transition to high schools. Funded by the Office of Educational Research and Improvement under the Center for Research for the Education of Students Placed at Risk (\$129,554), the Spencer Foundation (\$28,800 over two years), the McDougal Family foundation (\$25,000 over two years), and the Steans Family Foundation (\$30,000 over two years).

SELECTED ACADEMIC AND PUBLIC INFORMING PRESENTATIONS

Invited Addresses and Lectures

Rising to Meet Obama's Challenge: What the crisis in educational attainment means for urban high schools. Keynote Address, Kansas City Area Education Research Consortium, Annual conference, Kansas City, MO. November 12, 2010

Building bridges out of poverty and onto college campuses. (with Eliza Moeller) Keynote Address. UMOJA University, annual professional development conference, Dominican University, River Forest, Illinois, July 26, 2010

Using research to build capacity in urban school systems: Findings From "High School to the Future: Potholes on the Road to College. Multidisciplinary Program in Education Sciences (MPES) conference, Northwestern University, Evanston, IL. May 21, 2010

Making Your Hard Work Pay Off: It's About Not Taking the Easy Way Out Senior Year, keynote Address at the Chicago Public Schools' IB Summer College Academy, DePaul University, Chicago, IL, June 24, 2010

Rising to Meet Obama's Challenge: What the crisis in educational attainment means for urban high schools. Panel Speaker, Education Policy Breakfast Speaker Series, Transitions to Post-Secondary Education

Melissa Roderick: Vitae p. 12

and Employment, Part 3., Steinhardt School of Culture, Education, and Human Development, New York University, New York, NY. April 16, 2010.

An example of a research-practice partnership focused on building capacity for school reform: Studying the transition to college among Chicago Public School graduates Presentation to the Institute for Educational Sciences Washington DC, December 17, 2009

Rising to Meet Obama's Challenge: What the crisis in educational attainment means for urban high schools Annual Brodie Lecture, Bowdoin College, Brunswick, Maine. December 2, 2009

Annual Aims of SSA Address, School of Social Service Administration, The University of Chicago, September 20, 2009.

Developing a new model for the role of research in supporting urban school reform: The Consortium on Chicago School Research Presentation to the Annenberg Institute for School Reform and Education Department, Brown University, August 20, 2009

Rising to Meet Obama's Challenge: What the crisis in educational attainment means for urban high schools Keynote Address. UMOJA University, annual professional development conference, Dominican University, River Forest, Illinois, July 30, 2009

Building effective research partnerships to support innovative solutions: An example from Potholes on the Road to College. Presentation to Council of the Great City Schools: Curriculum and Research Directors' Meeting, Chicago, IL July 16, 2009

Rising the Meet Obama's Challenge: What the crisis in educational attainment means for urban high schools. W.T. Grant Foundation Scholars Retreat, Santa Fe, New Mexico, June 2009. Retreat faculty consultant.

From High School to the Future: Potholes on the Road to College. Urban Education Policy Program. Education Department, Brown University. January, 2009.

From High School to the Future: What is it going to take to get students ready for college?. Luncheon address. Expanding College Access, Enhancing Student Success: Best Regional and National Practices for Expanding College Aspirations, Enrollment and Graduation. Conference organized by the Center for Educational Excellence, University of Dayton, Dayton, Ohio. October 16, 2008.

From High School to the Future: What is it going to take to get students ready for college?. Presentation. Chicago Youth Centers President's Leadership Council Fall Forum "College and career readiness: roadmaps and resources to take low-income, inner-city youth to and through college. Chicago, IL: Harris Bank. October 30, 2008.

From High School to the Future: Is hard work paying off? The road to college for CPS students in rigorous college preparatory programs. International Baccalaureate North America (IBNA) National

Melissa Roderick: Vitae p. 13

Conference. San Francisco, CA. July 18-19, 2008

Three reform periods and nearly two decades of Chicago School Reform: Implications for Community Schools Luncheon presentation. Chicago Public School Community Schools Conference. Chicago Cultural Center. May 2007

How do we close the gap between rising aspirations and attainment among urban, racial and ethnic minority students? School of Social Service Administration, Four Chairs Lecture series. Washington, D.C. Women's Democratic Club. March, 2007

"Why High School Graduates become College Dropouts and What to Do about It" Askwith Education Forum, Harvard University Graduate School of Education, Cambridge, MA. April 25, 2006

Aligning Dropout Prevention Approaches with Efforts to Raise Achievement and Improve High School Performance: Evidence from the Chicago Public Schools. Aspen Institute Congressional Reform Program. *The Challenge of High School Reform.* Montego Bay, Jamaica February 21-26, 2006

Truth or Consequences: The Effects of High Stakes Testing in Chicago The Annual Gordon Lecture. School of Education, University of North Carolina Chapel Hill. February 2001.

Chicago's Effort to End Social Promotion: Short term effects on achievement. Invited address. North Carolina Central University. *Improving Student Achievement: Lessons from Urban Schools* Conference jointly sponsored by the School of Education, North Carolina Central University; Center for Child and Family Policy, Duke University; and the North Carolina Educational Research Center.

Standards in Chicago: Ending Social Promotion and Case Exams The Perils and Promise of Standards Based Reform. Chicago Schools Policy Luncheon Series sponsored by Chicago United, Leadership for Quality Education and Business and Professional People for the Public Interest. Standards Club, Chicago. May 1999.

Conference Presentations

(for conferences in which papers were presented see conference papers above)

From High School to the Future: College Experiences of Chicago Public High School Students Presentation at Putting Knowledge to Work: A Summit of Midsized School Districts (MDRC's 3rd High School Research conference). MDRC, New York, NY June 2007

"Potholes on the Road to College: Managing College Application among Chicago Public School students." The Achievement Gap Initiative, Annual Conference. Harvard University Graduate School of Education, Cambridge, MA. June 18, 2007

From High School to the Future: College Experiences of Chicago Public High School Students. Presentation at Succeeding in College: What it Means and How to Make it Happen. The Spencer/Macalester Forum on High Education. Evanston, IL: June 2007.

Research across reforms: What we have learned from intensely studying on school district over time. Invited Presidential Session, Evaluating Chicago School Reform: A Multiperspective on "Quality". American Educational Research Association Annual Conference, Chicago, IL, April 2007.
