"Taking AEPP was one of the best choices I ever made. I have made a lot of friends here, and it has made the rest of my academic life less daunting. I am more brave than ever to speak English in front of others."

-2022 AEPP-Speaking student

AEPP-Speaking is a three-week, intensive academic program that gives you linguistic and cultural knowledge above and beyond what is required for admission to UChicago. The speaking projects entail significant research, discussion, and cultural components. "AEPP is an astounding orientation course that helped me acclimate with the culture in Chicago and the academic environment at the University of Chicago. The rigorous classes drove me out of my comfort zone (in a great way!) to be a better writer in casual and academic English."
