Delayed Start to Winter Quarter

Happy New Year! We hope everyone is enjoying their break and staying healthy. As a reminder, the Winter quarter for most schools begins January 10th, and the full newsletter will be sent that day. Please refer to the recorded lectures section of the newsletter for archived events, in case you want to work on your co-curriculars this week.

Start of Winter Quarter Delayed

As we heard from the other University communications, the University is delaying the start of Winter Quarter by one week—to January 10, 2022. Additionally, the University is moving to a remote-only instructional format for the first two weeks of the quarter. The plan is to return to in-person instruction in Week 3 of Winter Quarter, beginning on January 24.

Enjoy your extra week off!

Many of the lectures listed in the GPHAP Weekly Digest are recorded and archived for later listening. You can look back to see if there are recent lectures that interest you, and they can count as GPHAP co-curriculars. Here are links to archived lectures.
