### UChicago Masking Policy

1) The Mask-Optional Policy for Classrooms will start on Monday, April 4, **one week after the start of Spring Quarter** for most of the University. The delay will allow for a transition period as students and others return from travel over spring break.

2) **Students who traveled over the Spring Break are strongly encouraged to get tested upon their return.** You can self-schedule a test through the Voluntary Testing Program by visiting [my.WellnessPortal](#).

3) **Law School:** Spring Quarter starts one week earlier at the Law School than in most of the University. The Law School will lift its classroom masking mandate on March 28.

4) Separate masking requirements will continue to apply to areas of the Student Wellness Center, COVID-19 testing sites, UChicago buses and shuttles, the Laboratory Schools, and UChicago Charter School.

For more information, please visit the [UChicago Forward website](#).
