### GPHAP Mentorship Program Spotlight

The GPHAP Mentorship Program was launched on January 23, 2020. For this first effort at designing a GPHAP mentorship program, we started with 26 alumni mentors with the intent to add mentors as we get feedback on the program. The mentors represent all the schools participating in GPHAP, and a wide range of years. We asked the mentors how many students they would like to speak with. Most said they could connect with between 1 and 3 students. GPHAP students were then invited to identify up to three alumni they would like to connect with, in priority order. Of the 26 mentors, 23 had at least one student request them. In total, 26 students requested mentors. Here are the numbers as of February 3, 2020.

26 Alumni Mentors: Booth (7), Booth/Pritzker (3), Booth/Harris (1), Harris (9), SSA (5), Law (1)

Mentees – 26: 1<sup>st</sup> year - 18; 2<sup>nd</sup> year - 8

Mentees by School: Booth (5), Harris (13), SSA (8)
