### GPHAP RA-ships Applications

GPHAP provides funding for 11 RA-ships/Internships each academic year. Serving in an RA-ship/Internship position is one way that you can fulfill the Practicum requirement of GPHAP. Only students who have not yet had an RA-ship or Summer Fellowship are eligible to apply.

Students will be paid a stipend of \$1500, which is based on \$15.00 an hour for 100 hours. RA's generally work 10 hours a week for 10 weeks. If after 100 hours, the hosting department or organization wishes you to stay on, and you wish to stay on, you may do so, but your stipend would need to be funded by them. The RA-ship counts as your GPHAP Practicum if you work the full 100 hours.

The available RA-ship descriptions have been circulated via e-mail. Please express interest by the end of this week, **Friday, Oct 18** to the hiring managers, and let Laura Botwinick know if you are intending to apply.

### University of Chicago Center for Global Health (CGH) Open House

The University of Chicago [Center for Global Health](#) (CGH) is holding an Open House Meet & Greet for GPHAP students on **Monday, October 14 from 5:00 – 7:00 pm.**

Come meet CGH leader Drs. [Funmi](#) and [Sola](#) Olopade, and staff of the CGH. Mingle with other GPHAP students interested in global health. Learn about opportunities in global health at the University of Chicago. Dinner will be provided. This event counts as a GPHAP co-curricular if you write up a reflection.

This casual gathering will be held at the CGH conference room, G-115. Please RSVP [HERE](#) so we have an accurate count for dinner.

### Student Profiles

For all incoming students, please fill out the student profile by **Oct 18**. The template was emailed to students (or in the Modules on Canvas), and should be uploaded on the GPHAP Canvas Site. Returning students only need to submit a profile if they would like to update their previous information or if you haven't completed one yet.

### Pub Night - Save the Date!

We will have a Fall Quarter Pub Night on Wednesday, November 13 from 5:00 - 7:00 pm. The event will be at the Pub in Ida Noyes. Pizza and drinks will be provided. Mark your calendars! An announcement with RSVP sheet will be sent in early November.

## GPHAP Seminar on Structural Inequities in Health Care

GPHAP is implementing a new Seminar series to bring students together for interdisciplinary conversations about important health care issues. We realize it is a long time to wait before connecting through the required classes in the Spring Quarter. In future years, we will make the seminars a required part of GPHAP. For now, attendance is **strongly encouraged**. The seminar counts as a GPHAP co-curricular.

We are pleased to announce the speaker for our first seminar: *Dorane Miller, MD, Associate Professor of Medicine & Director, Center for Community Health and Vitality, University of Chicago Medicine*

Dr. Miller will present, "So what's up with that hospital called Provident on 51st Street." The presentation will address the Black hospital movement, with a focus on the South Side of Chicago. Following the presentation, students will discuss how this history connects to their work and studies today, and our role in addressing structural inequities and structural racism in health care.

### For 1<sup>st</sup> year Students:

When: Wednesday, November 6, 2019, 12:30 – 1:50 pm

Where: SSA, Room W1a&b

Lunch will be provided.

RSVP [Here](#)

### For 2<sup>nd</sup> year Students:

When: Thursday, November 7, 2019, 5:30 – 7:00 pm

Where: SSA, Room W1a&b

Dinner will be provided.

RSVP [Here](#)

Please attend the seminar for your respective cohort. If for some reason you can't attend at your allocated time because of a conflict with a class or other issue, you may attend the other session. Pritzker students on the global health track (who are with GPHAP for 4 years) may choose the session that works best for them.

Please RSVP at the Link provided for your session by **Oct 30, 2019**.

**Oct 31, 2019: The Chicago Forum for Justice in Health Policy: Health Reform Impacts, Challenges, and the Future**

Health reform often seems like a moving target. While the 2020 election heats up, the future of healthcare and health insurance remains a major debate. Meanwhile, the U.S.'s ongoing legacy of injustice both causes and exacerbates health inequities and violations of human rights. Many patients still struggle to access high-quality, affordable healthcare and hundreds of thousands of Illinoisans remain uninsured. Join us for a conversation on the impacts of recent—and the potential future of—health reform.
