Welcome to UCM Pediatric Residents

WELCOME

We are excited to welcome the following UCM pediatric residents to the GPHAP community!! They are participating in GPHAP as part of the Pediatric Residency 4-Year [Health Services Scholarship Track](#), Department of Pediatrics.

WELCOME:

Nina Gummadi
Matthew Nathan
Michael Harries

Nina and Michael are on the Harris Public Policy track, and Mathew is at the Department of Public Health Sciences on the Health Economics track.

Thurs. March 25th 12:00–1:00PM CT [Register Here](#)

UChicago Urban Network hosts: Racism as a Public Health Crisis: COVID-19 Vaccine Access and Acceptance

Panelists include:

- Chicago Department of Public Health Medical Director Dr. Candice Robinson

Save the Date

Winter Co-curriculars are due next Wednesday 3/31!

The Center for Global Health, with support from International House and UChicago Global, is hosting World Health Day celebration on April 7, 2021 [Register Here](#)

This year, our Celebration will feature UChicago faculty, local Chicago leaders, and our Global Partners discussing pivotal work completed during the COVID-19 pandemic. This all-day event will consist of two, 3-hour sessions: Engaging with Global Partners during COVID-19 (8:30AM–11:30AM) and Ensuring Equity and Justice in Research Post-COVID-19 (3:00PM–6:00PM). Our Keynote Speakers are Mr. John Palfrey, President of the MacArthur Foundation, and Professor Folasade T Ogunsola, Deputy Vice Chancellor of the University of Lagos. Full schedule with all speakers and panelists to follow at cgh.uchicago.edu.

MATTER presents "Defining Health Equity"

"Chicago Department of Public Health Commissioner Dr. Allison Arwady joins us to answer these questions and more, kicking off MATTER's latest event series, Advancing Health Equity. The series aims to unravel the various forms of inequities affecting our healthcare system today and explore the role that innovation and technology can play in shaping a more equitable future. Future discussions will follow two tracks: resilient communities and inclusive technology."

Thurs. April 22nd 10:00–11:30AM CT [Register Here](#)

MATTER presents "Sustainability in Healthcare"

"Sustainability expert and Green Innovation Group A/S CEO Frederik van Deurs will highlight some of the most significant green technological advancements of recent times, the challenges we're facing as a global society and how health innovation can be leveraged as a powerful tool to achieve global drawdown of greenhouse gases."
