Recorded Lectures

Many of the lectures listed in the GPHAP Weekly Digest are archived for later listening. You can look back to see if there are recent lectures that interest you and have them count as GPHAP co-curriculars. We will list the links to recorded lecture series in the bottom section of every edition of the Weekly Digest so you always have them handy. Here are just two that we will highlight in the Announcements section today to get you started:

[CHAS Michael Davis Lectures](#)

If you scroll down to the bottom of that page, you can see all the archived lectures and also the powerpoint presentations that have been uploaded. Or you can go directly to the [YouTube](#) page where the recorded lectures can be viewed.
